GOING FOR THE GOLD

Kim Burson and Sonya Caraway —
hard at work in Geometry.

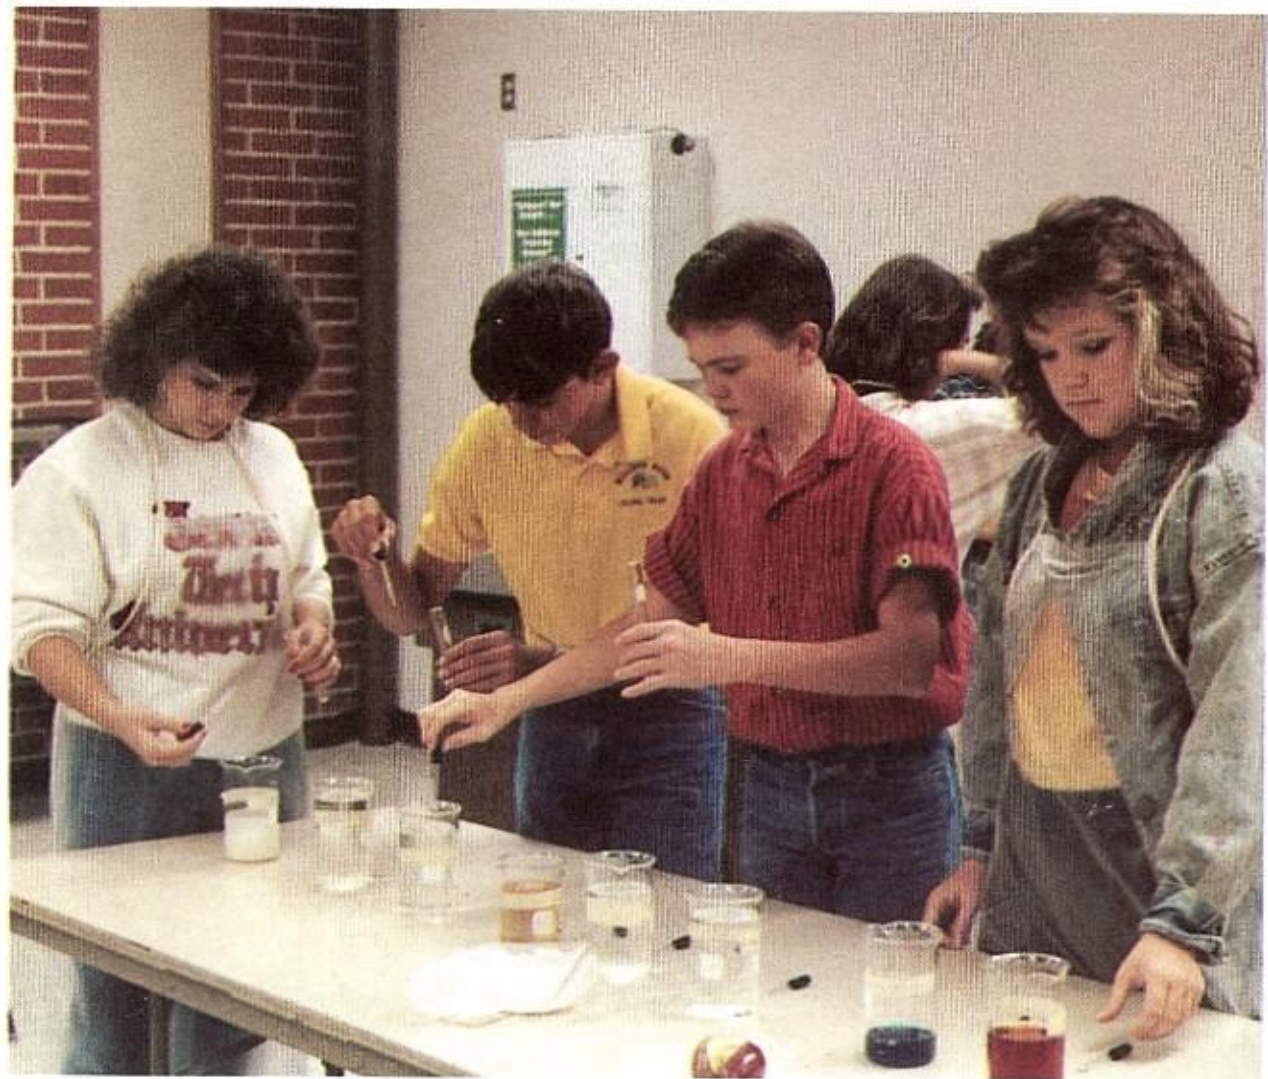

Going for the Gold was the cheerleaders' theme for the 1987-1988 school year. The purpose of the theme was to help the students stretch and excel in their achievements.

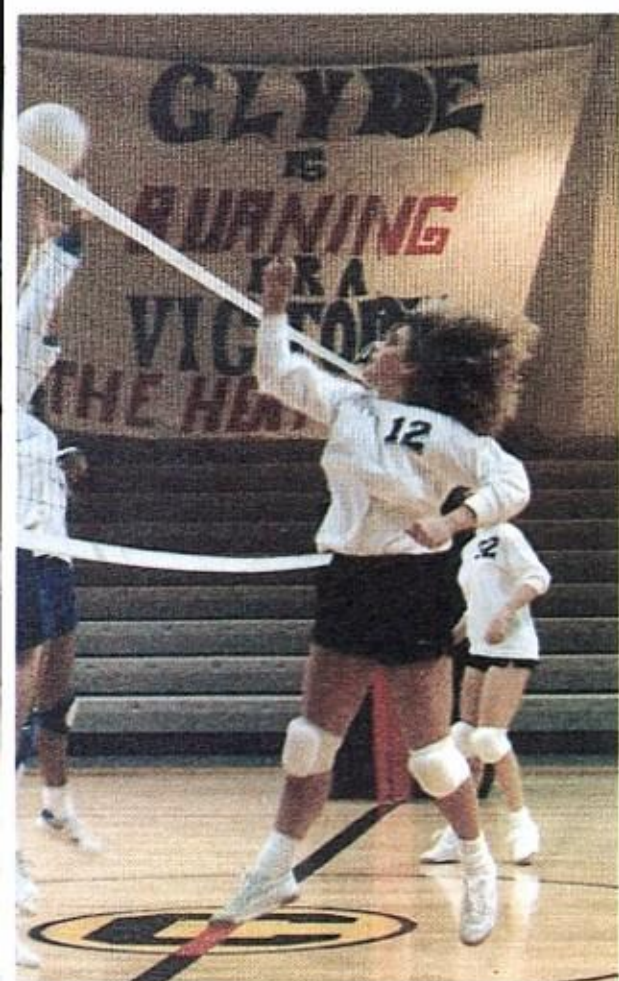

The Yearbook staff invites you to reflect back on the happenings of the past year. We hope the reflections in this yearbook will be fulfilling.

ALIVE BUT... NOT AWAKE

Mendy Miller learns English through osmosis.

Barbara Arnold seems to be an early bird.

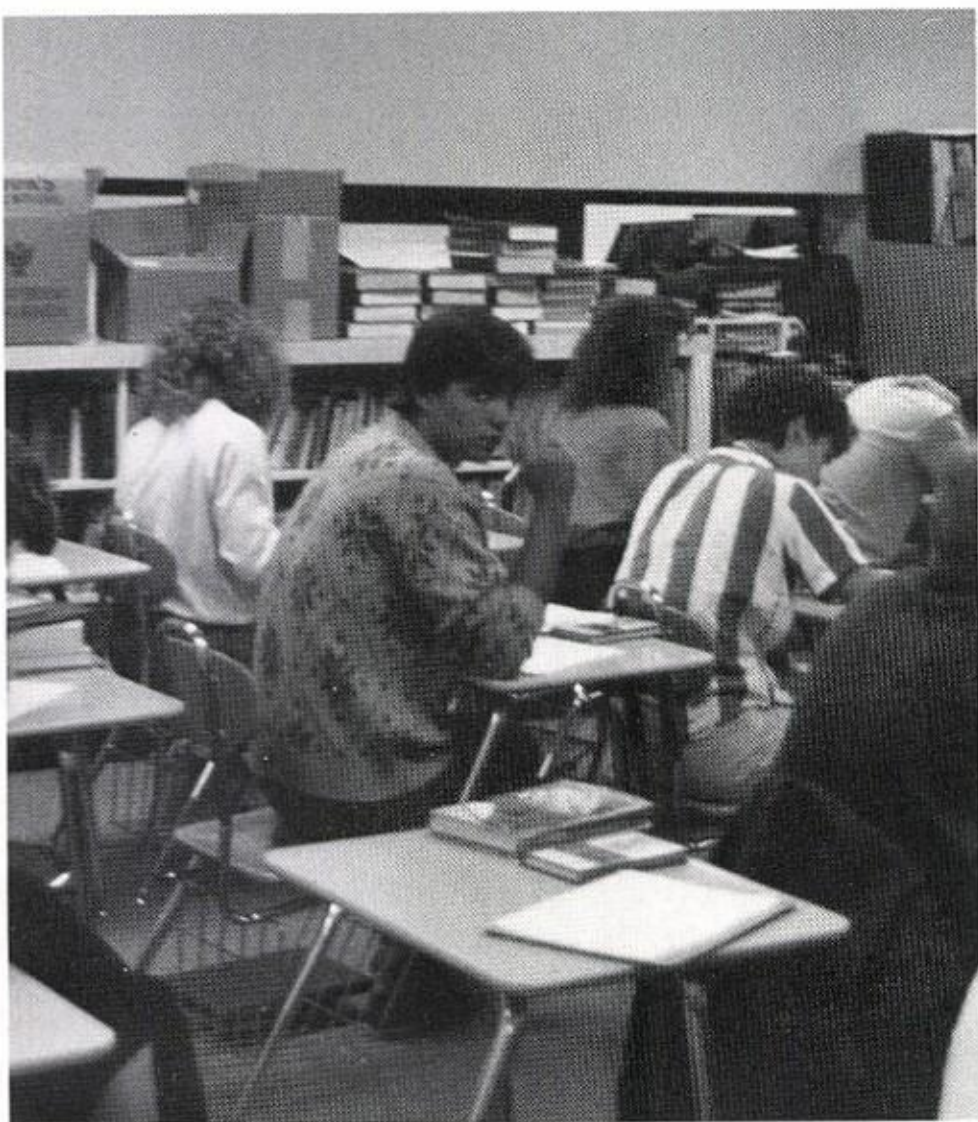

Me and my red BMW, what a combination! Who would of thought that I — BZZZ — for once I would like to finish a dream, just once. Ever since I took zero hour all my dreams seemed to be interrupted. 6:00 — I've got to get up!

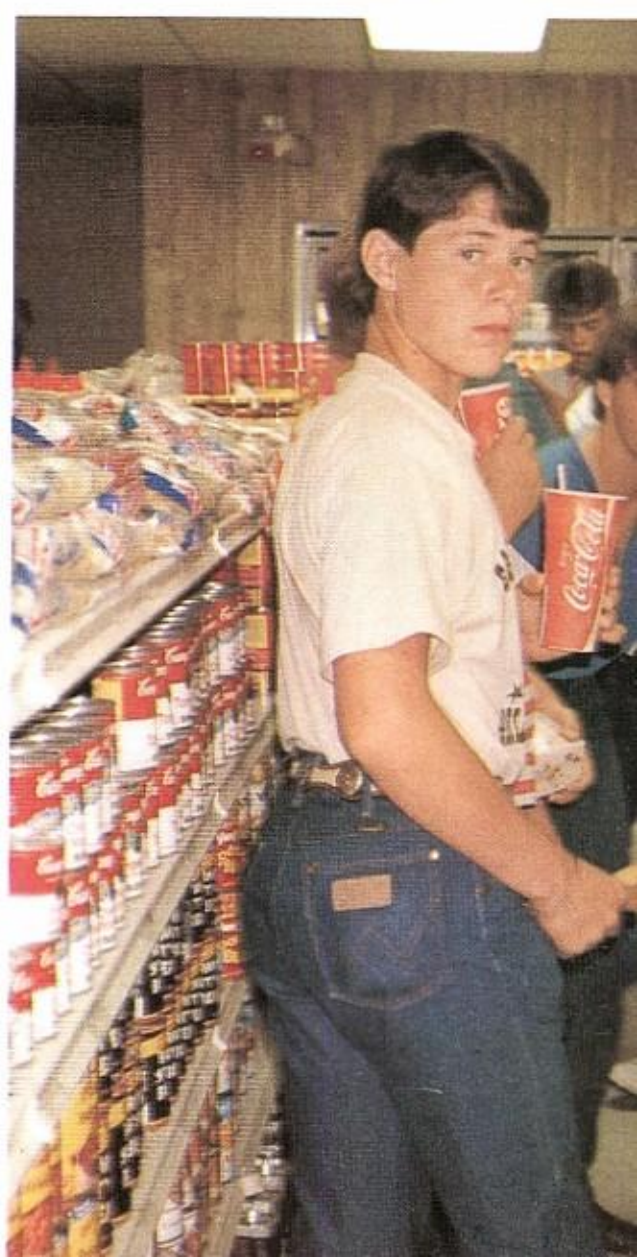

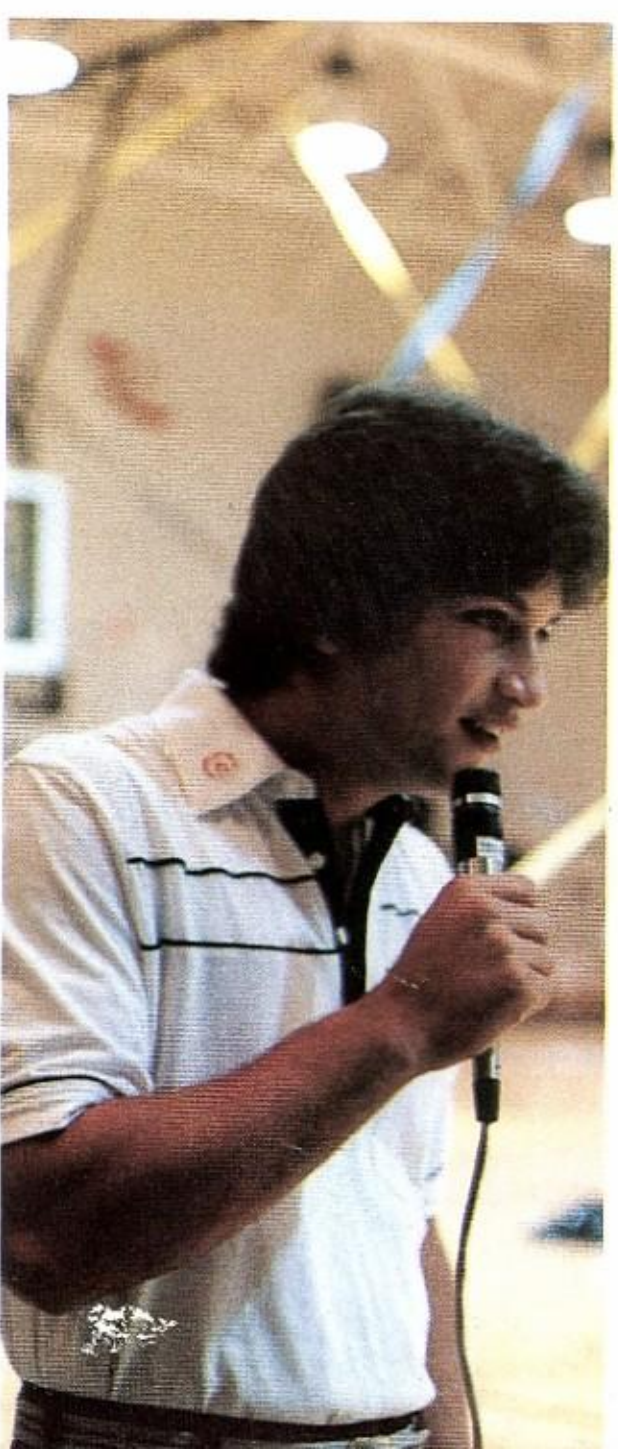

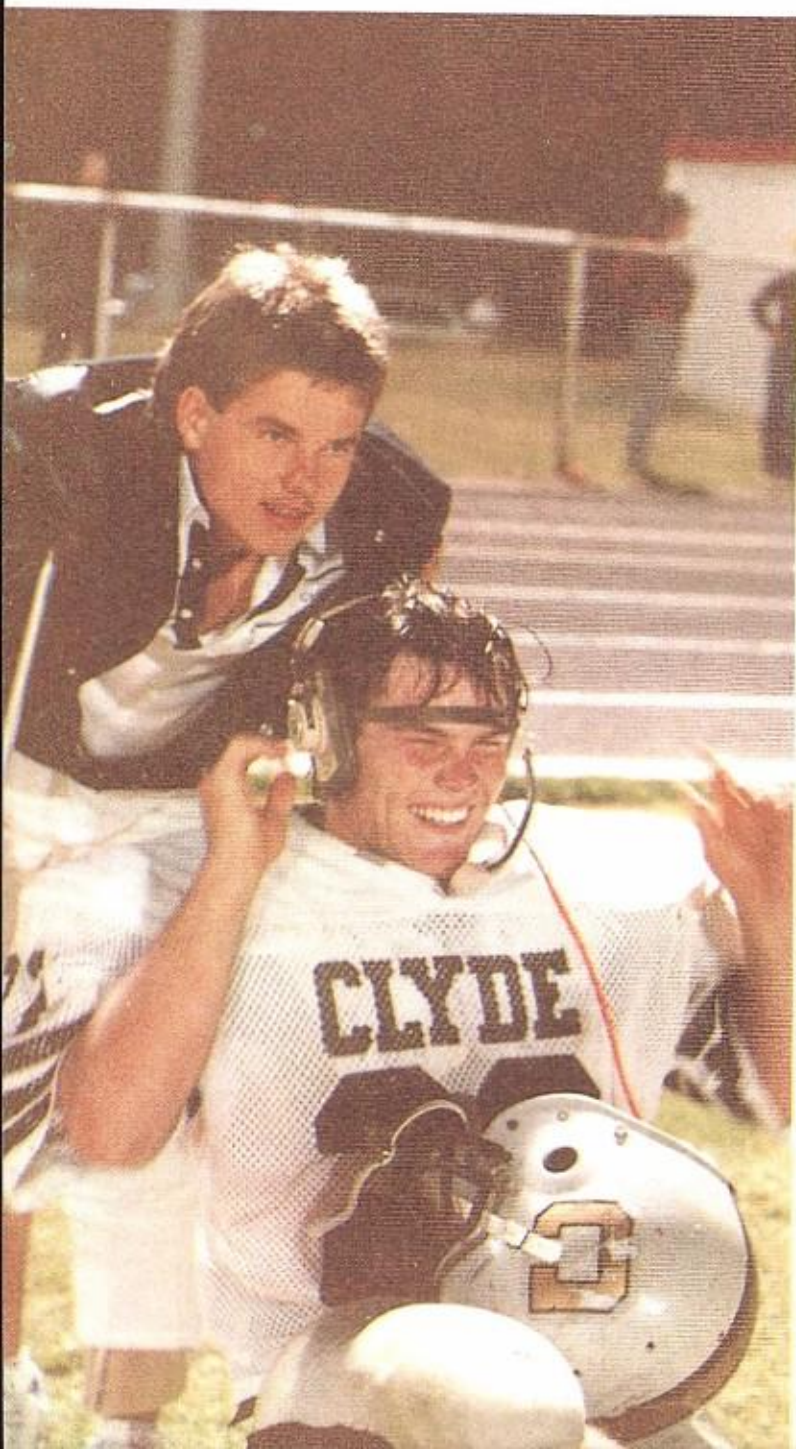

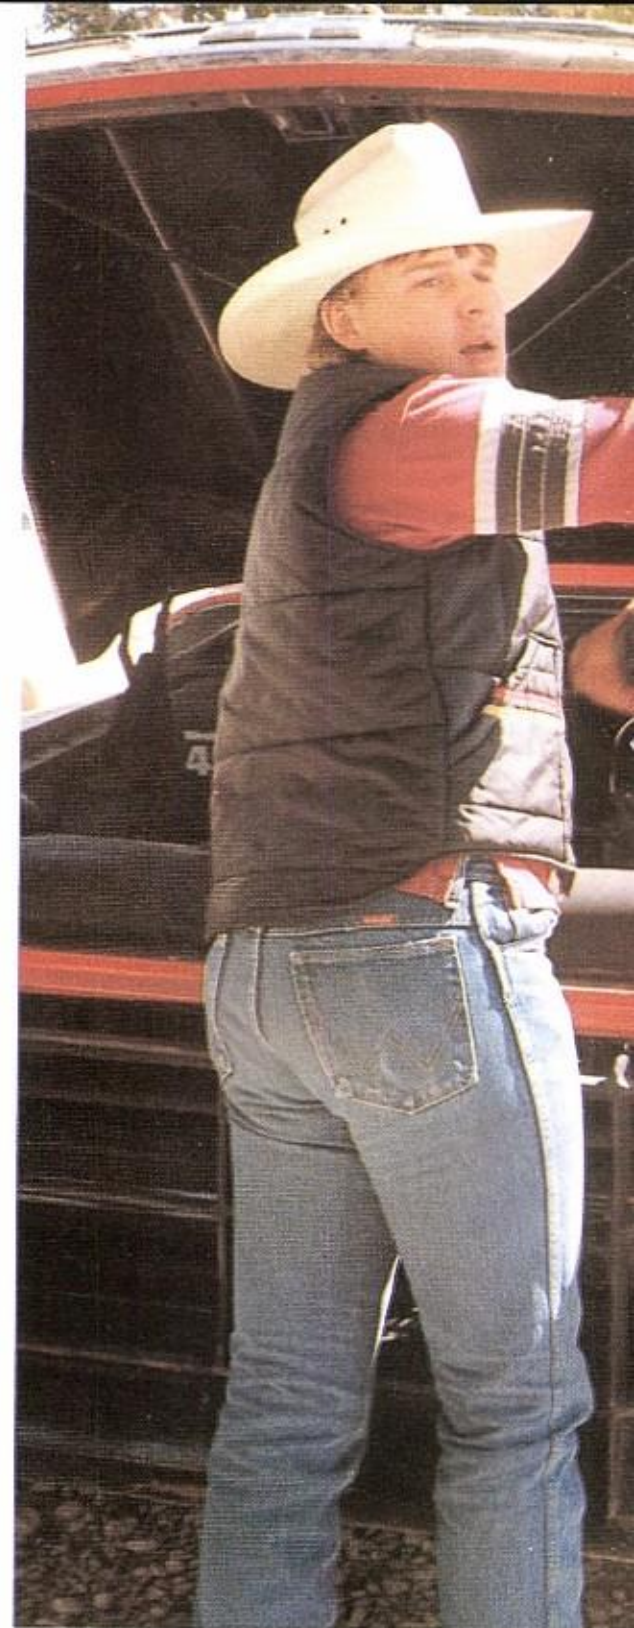

Overdosing my body with caffeine and sugar, I went through the monotonous morning routine of getting dressed. For some reason 7:30 just didn't seem like the ideal time to start the day, especially with English! There was no way this body was ever going to get used to this, or my eyes — the moon was still out! Driving to school by the "pale moonlight" was not good.

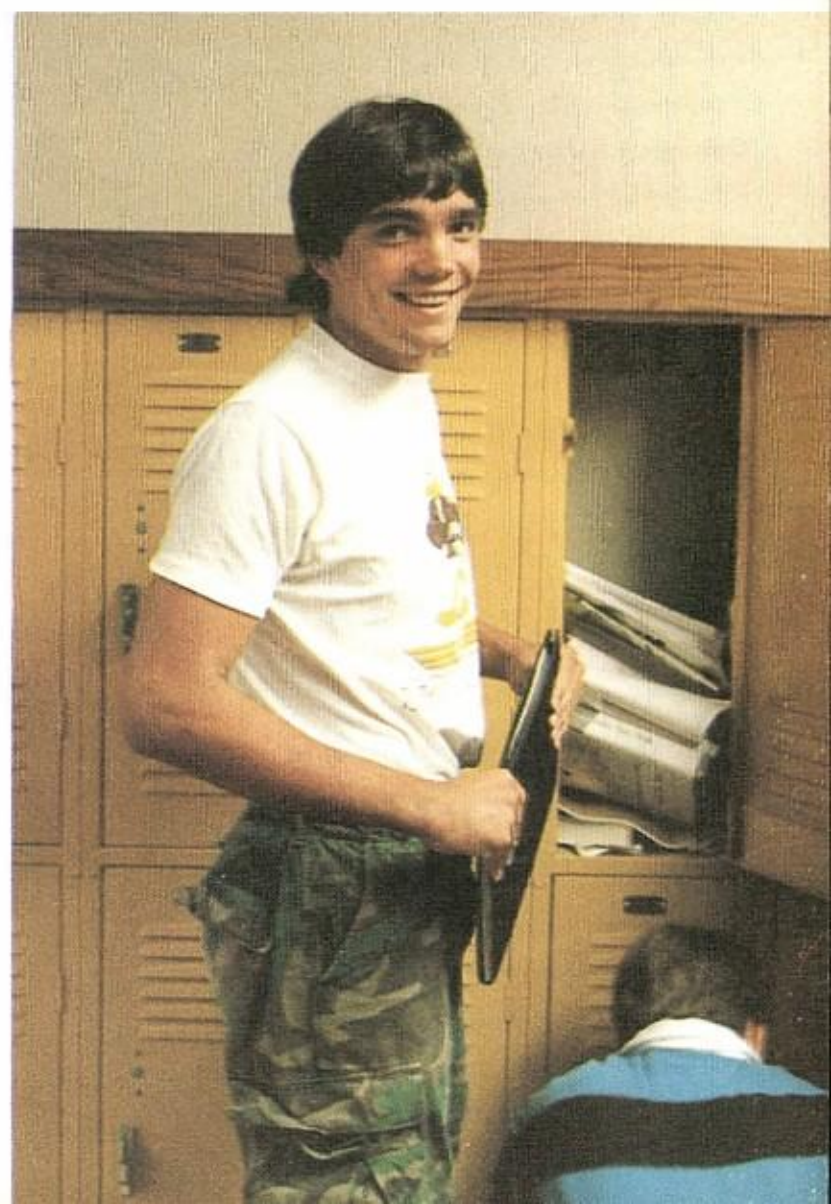

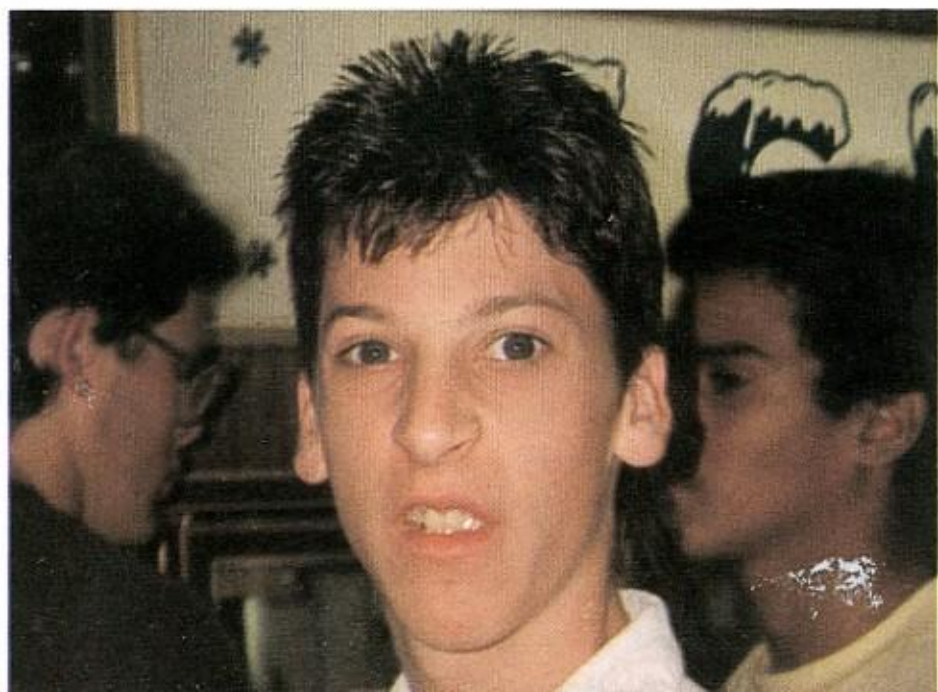

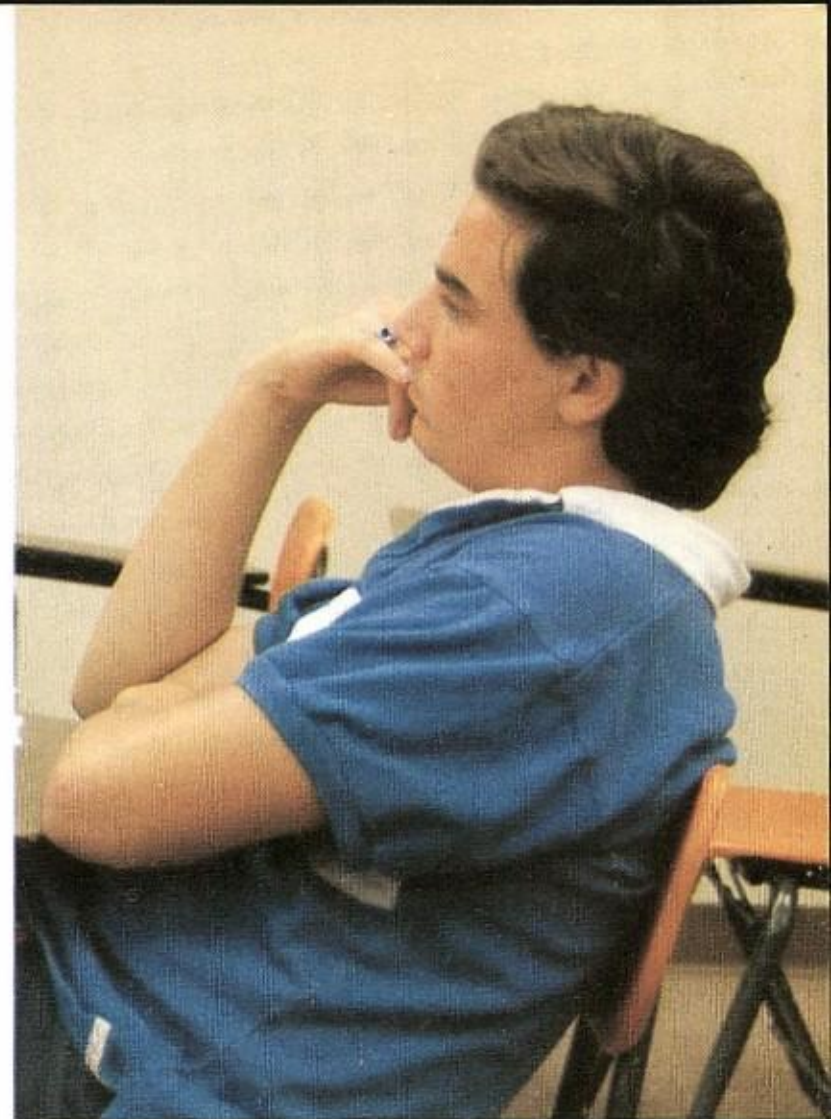

Arriving at school I saw there would be no problem in getting a parking space, considering there were only 12 cars in the parking lot. Beating the principal to school didn't boost my spirit. Right then I could tell this class was going to be different.

I was right, class was very different. We diagrammed sentences, worked on research papers, and read historic literature while we watched the sun rise and listened to a rooster crowing. This caused many to doze in class, including me.

I could still hear the magic sound of that red BMW's engine roaring. VROOM! VROOM! (Copy by LaDonna Boles)

THE HEAT IS ON!

While most students spent their summer goofing off, those belonging to certain organizations found themselves very busy preparing for the year ahead.

The officers of the student council traveled with Mrs. Kaiser to Nacogdoches to attend a week-long camp at Stephen F. Austin. They worked hard on improving their leadership abilities. "We went to learn, but we had fun too," Richard Sheffield said of the camp.

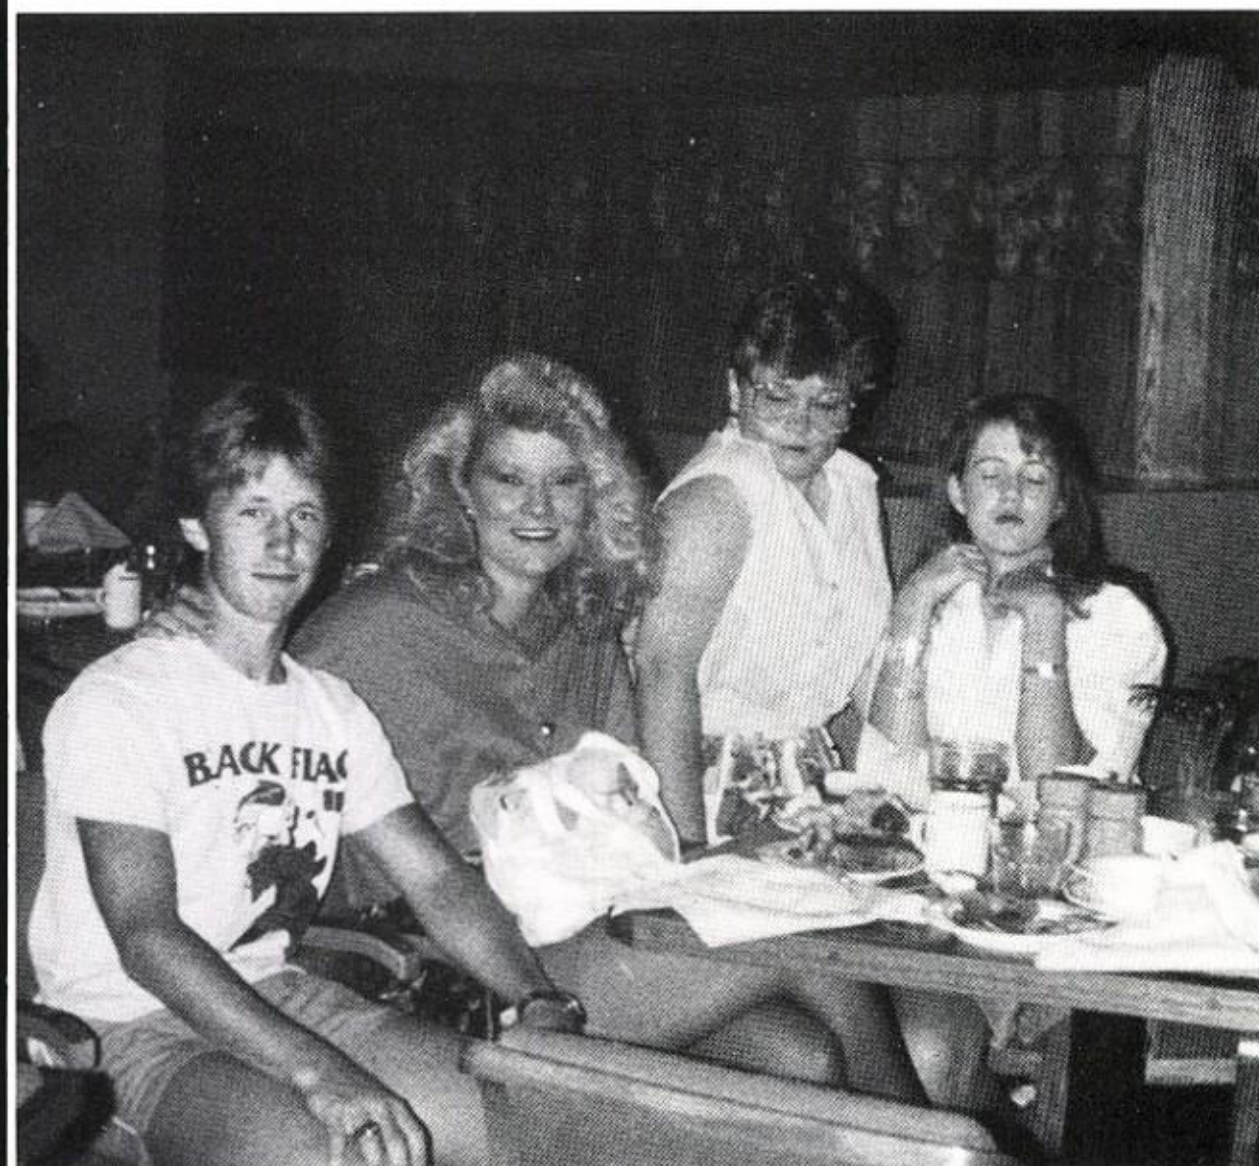

With seven new members, the yearbook staff participated in a week-long workshop at UT in Austin. They got a taste of the work it takes to produce a great yearbook, and they learned that with deadlines comes homework, even at camp.

The cheerleaders prepared for the new year by attending camp at HSU in Abilene. Their hard work proved profitable. They brought home the spirit stick and Mendy Miller was first runner-up for best all-around mascot.

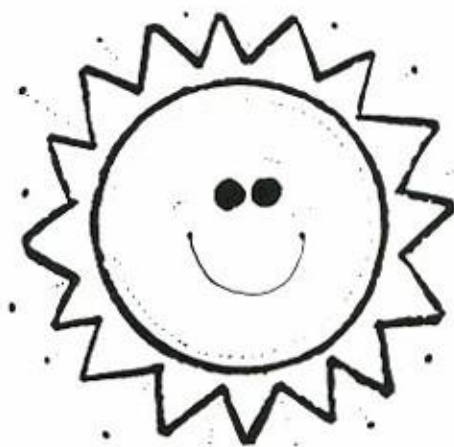

Also working hard for the coming year was the newly organized drill team. The girls attended camp at HSU where each member learned a separate dance to teach to the other members.

The pep squad and band both held clinics closer to the end of summer to prepare for the coming

football season.

On the more adventurous side of summer life, several members of Key Club journeyed north to attend the 44th annual international convention in Canada. They learned more about their international theme, "For friendship's sake," and attended many workshops where they learned more about the responsibilities of all Key Clubbers. All who went, reported having a great time meeting new friends from different parts of the world and touring Canada.

Taking the trip of a lifetime, Angie and Alyssa Reed, Mendy Miller and Mrs. Huff journeyed across the ocean to tour Europe. Out of the seven countries they explored, Switzerland was a favorite because of the beautiful countryside and wonderful people. The biggest change the travelers experienced was the different cultures. "I noticed an immediate change as soon as I stepped off the plane," Angie Reed said.

But then, everyone woke up one morning at the unearthly hour of 6:30 and summer was over. It was time to face reality and head back to the "salt mines". (Copy by Toni Robinson)

I'M SO EXCITED!!

Excitement filled the air as preparations for homecoming began. Contests, such as spirit balloons sales — which the juniors won by a landslide — and car decorations — which ended in another junior victory — were held for each class.

More excitement rose when the homecoming nominees were announced. They were: Mechelle Chrane, Jill Howle, Whitney Ralston, and Myra Payne.

Suspense continued to rise until Friday night came. The weather was crisp, as fans decked out in mums and garters listened to hear who would be crowned homecoming queen. Fans watched as Myra Payne was crowned Homecoming Queen for 1987!

Friendship plays a big part of our lives in many ways. When we reflect back on our school years we may not remember the classes or work, but we will always remember our friends. Certain people will be remembered more together than apart. Everywhere you look there are friends.

THE FUN!

This school year was a year for individuality in both style and personality. Styles began with an assortment of colors in stone washed jeans. Some individuals even went further to express their personalities by adding holes in the knees, rips up the sides, and brightly decorated sweat shirts and high tops.

With so many people on crutches this year you would think it was a new fashion trend. But, Mechelle Chrane shows that not even crutches can slow her down.

ome of our Fondest Memories

FAREWELL

CLASS OF 1988!

Some of the fondest memories of the Class of 1988 were the times that we discovered important parts of ourselves and experienced new emotions.

We learned responsibility — to make a commitment and keep it, no matter how much time and dedication it required. At times we were worn down, but we always struggled to keep a constant pace.

For some it was band or pep squad. For others, it was a sport or two. Participants discovered a nonstop will that kept us going in a positive direction. We practiced whenever and wherever possible — always moving forward. The mental concentration and physical abuse reached new heights. We were all striving for a similar goal — personal and overall perfection; to be better than ever before.

There were others of us, of course, who chose to be less involved in school. We were the ones who played the part of the dedicated employees. We worked long hours, received slave pay, but, nevertheless, we had a good time.

Still there were times when no one could be categorized. The times were those when we all gathered for a celebration, for a special picture, or for the lack of anything better to do. On occasions like this, we learned about each other; we grew together and made memories.

But all good things must come to an end. Here is where we say our farewell to each of you, the CLASS OF 1988.

CLASS OF '88

A WEEK IN THE LIFE OF A SENIOR . . .

Monday morning is the worst day of the week. The alarm goes off late, the hot water heater hasn't warmed up yet so there is no hot water, and the tiny sliver of soap that is left slides down the drain. What a way to start the day!

Tuesday morning seems to move in slow motion. Your clothes are not dry and you conclude that maybe if you hadn't waited until after your shower to put them in the dryer, they might be warmer and dry, instead of cold and clammy.

Wednesday morning, your first thought is that the week is half over. There are only two more days until the weekend is here. Then you smile and dream ahead.

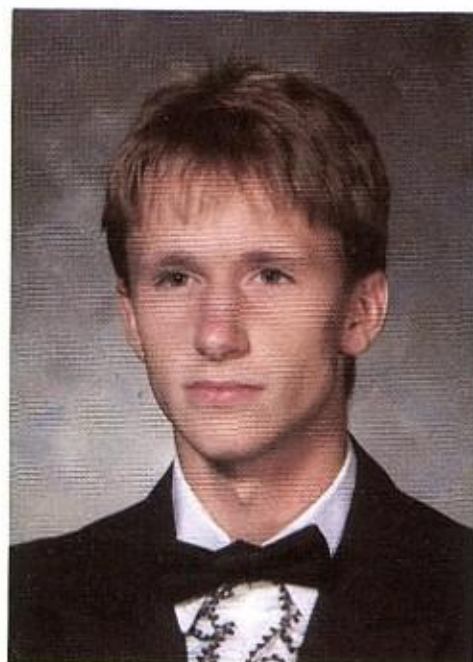

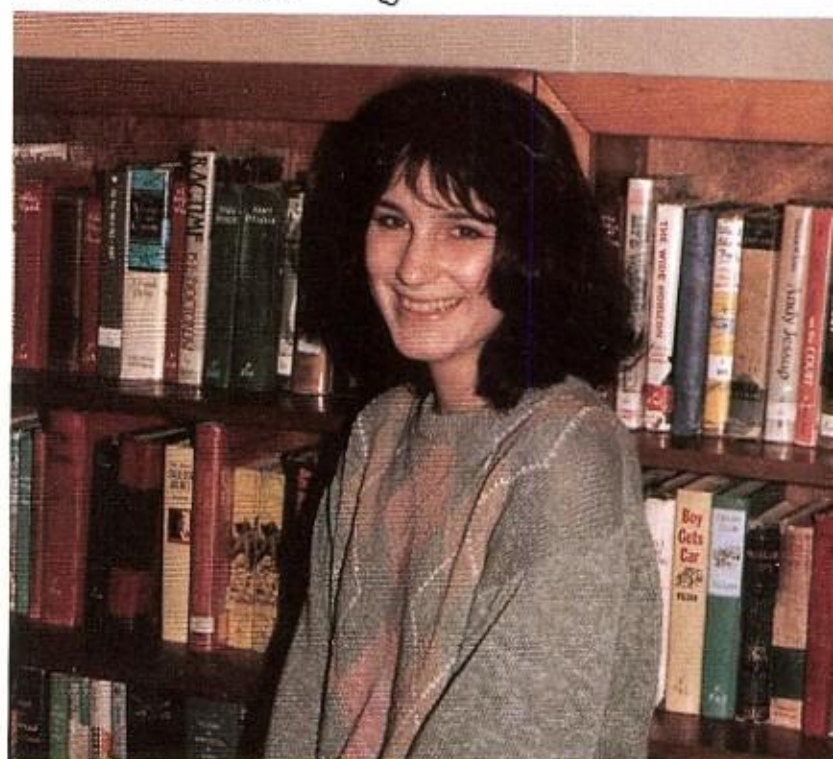

Thursday's first remark to the mirror is, "Will Friday ever get here?" When you get to school, you realize that you didn't finish your English homework and Mrs. Huff hasn't opened the room yet so you can't go in and finish it. It doesn't really matter though, you think, because tomorrow is Friday!

Friday morning finally arrives. A surge of energy comes over you as you realize that tonight begins the long-awaited weekend . . .

But all too quickly, the weekend passes after two days filled with friends and late nights. In fact, it was so late that you feel you can paint a picture of the sun coming up straight from memories.

JUNIORS '88

Trying to write a paragraph or two about the Juniors was a little difficult for me, but I asked myself what I thought about when the Junior Class was mentioned. The first word that popped into my head was the word outstanding. So I looked up the word OUTSTANDING in my dictionary . . . Webster's definition was: to endure beyond or to stand out. Obviously this was not the TOTAL definition I was looking for. So, again, I thought, what else could be said about the Juniors in 1988? Well, the word UNIQUE suddenly entered my mind. Webster was still open so I looked up the word unique and the definition said: being without a like or equal, very rare or uncommon. THAT'S IT! OUTSTANDINGLY UNIQUE was how to describe the 1988 Juniors.

They enjoyed their second year in high school due to the exciting student life. The sophomores participated in many events such as the "Spirit Balloon contest," the annual volley ball tourney, and "Almost Anything Goes". All in all the Sophomores had a very exciting year. The Varsity football team under the direction of head coach Fred West started its football season 3 weeks before school started.

The team consisted of 9 Seniors, 13 Juniors, and 2 Sophomores. The team did not do as well as was expected, due to a numerous amount of injuries to key players through-out the year. However,

the injuries never lessened any of the players' desire to win much less anyone's pride when they lost.

The Bulldogs finished with a 4-6 record for the year. Even though the record does not show that Clyde had a great season, the number of players making all-district does.

Players making all-district are: First Team: Paul Brown (Defensive Tackle), Lance Burleson (Defensive End), Randy Richardson (Linebacker), and Chris Shelton (Place Kicker). Second Team: Kevin Dugan (Secondary), Chris Shelton (Linebacker), Randy Richardson (Running Back), Jesse McCoy (Offensive Guard), Lance Burleson (Offensive End). Honorable Mention: Ed Ramos (Defensive Linemen), John Carpenter (Defensive Linemen), Jeff Howle (Quarterback), Kevin Dugan (Wide Receiver).

Due to a number of injuries to Varsity players both the J.V. and Freshman squads lost important members of their team. The two teams then had to combine as one large J.V. in order to have enough players to finish out the season. However, unlike any other team, this did not weaken the squad. They were still tough competitors for every team they came up against. All of the coaches were impressed and optimistic knowing these guys were going to soon be a part of the Varsity Team!

WHOO!-WHOO! WHOO!-WHOO!

GO DOGS!

Under the direction of Coach Karen Plowman volleyball '87 began with a lot of hard work.

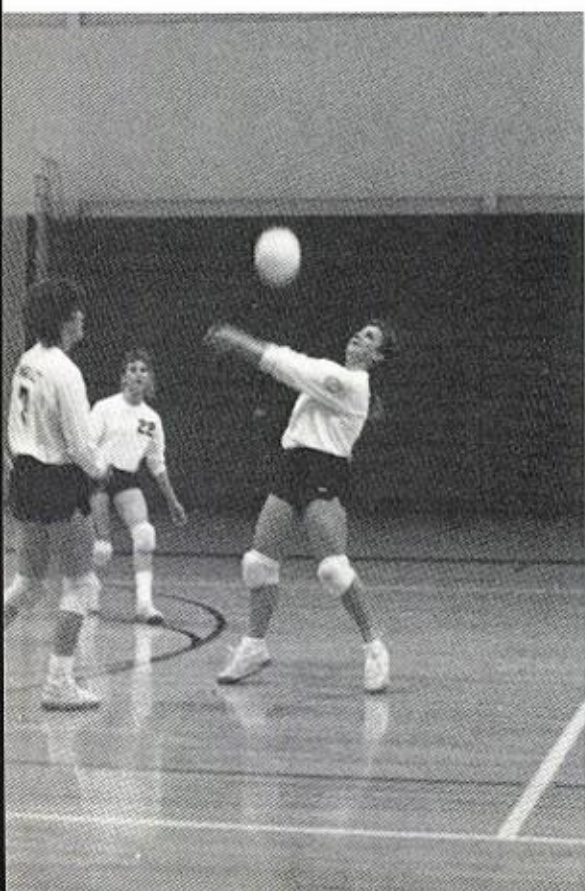

Three weeks before school started the varsity, j.v. and freshman teams were at school bumping, serving, setting, and spiking. After school started the Lady Bulldogs practiced long and hard.

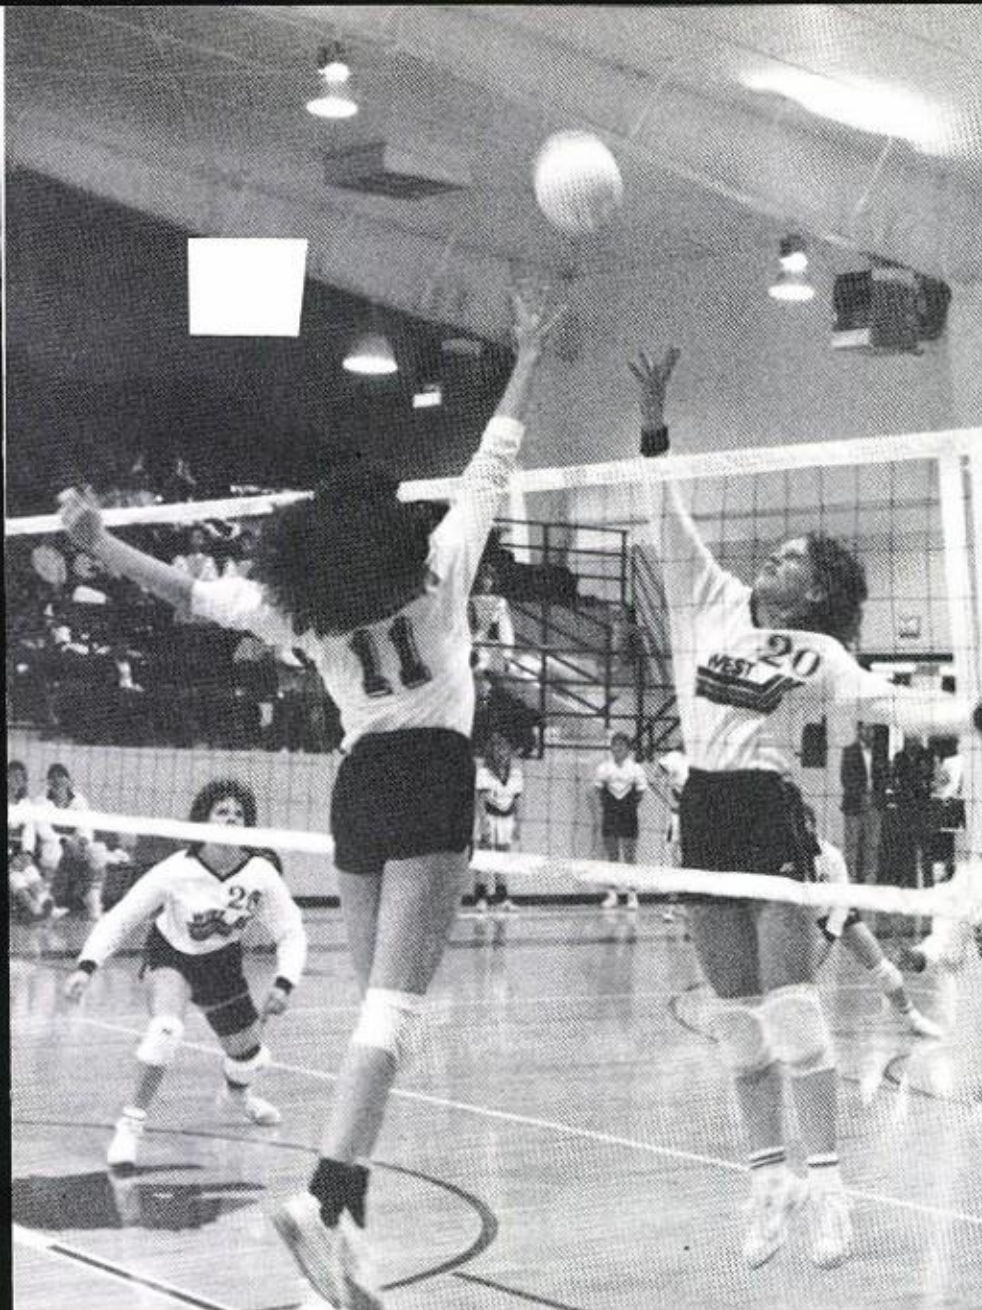

In the end, hard work advanced the varsity team to the district play-off against the Ci-City Wolves. When the Bulldogs stomped the wolves, they moved on to Area play-offs against West, in Brownwood where they were not so victorious. But all in all they had had a successful season.

LET'S GO TO THE HOOP!

See Gary Leap, Leap Gary Leap (Gary Hall, sophomore, out jumps the other team on the opening jump)

The 1987-1988 season was a season of rebuilding. With only one senior on the team, Jeff Rorie, the sophomores and juniors experienced more than the usual amount of court time. Our team continued to improve game by game, despite the fact that we did not put one player on the floor with any varsity experience. The pay-off should come next year in a team of well-seasoned players.

Jeff Howle, junior, scores the first points of the game.

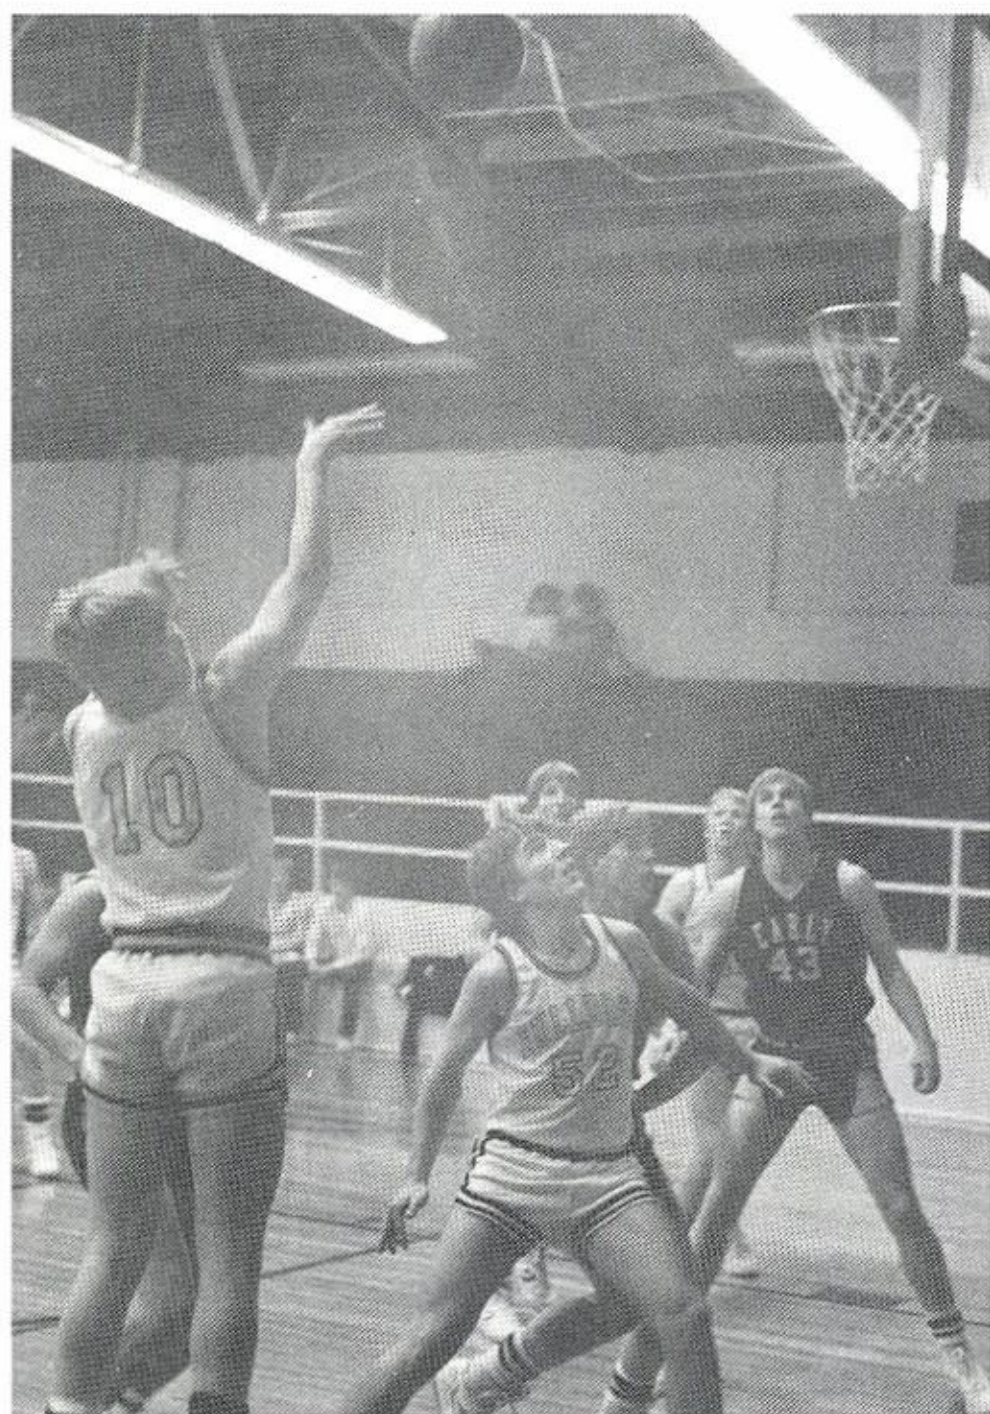

On a fast break Jeff Rorie, senior, puts it in for two.

J.V. BOYS ACCOMPLISH NEW HEIGHTS OF EXPERIENCE

The J.V. boys basketball team has a record of 4 wins and 17 losses.

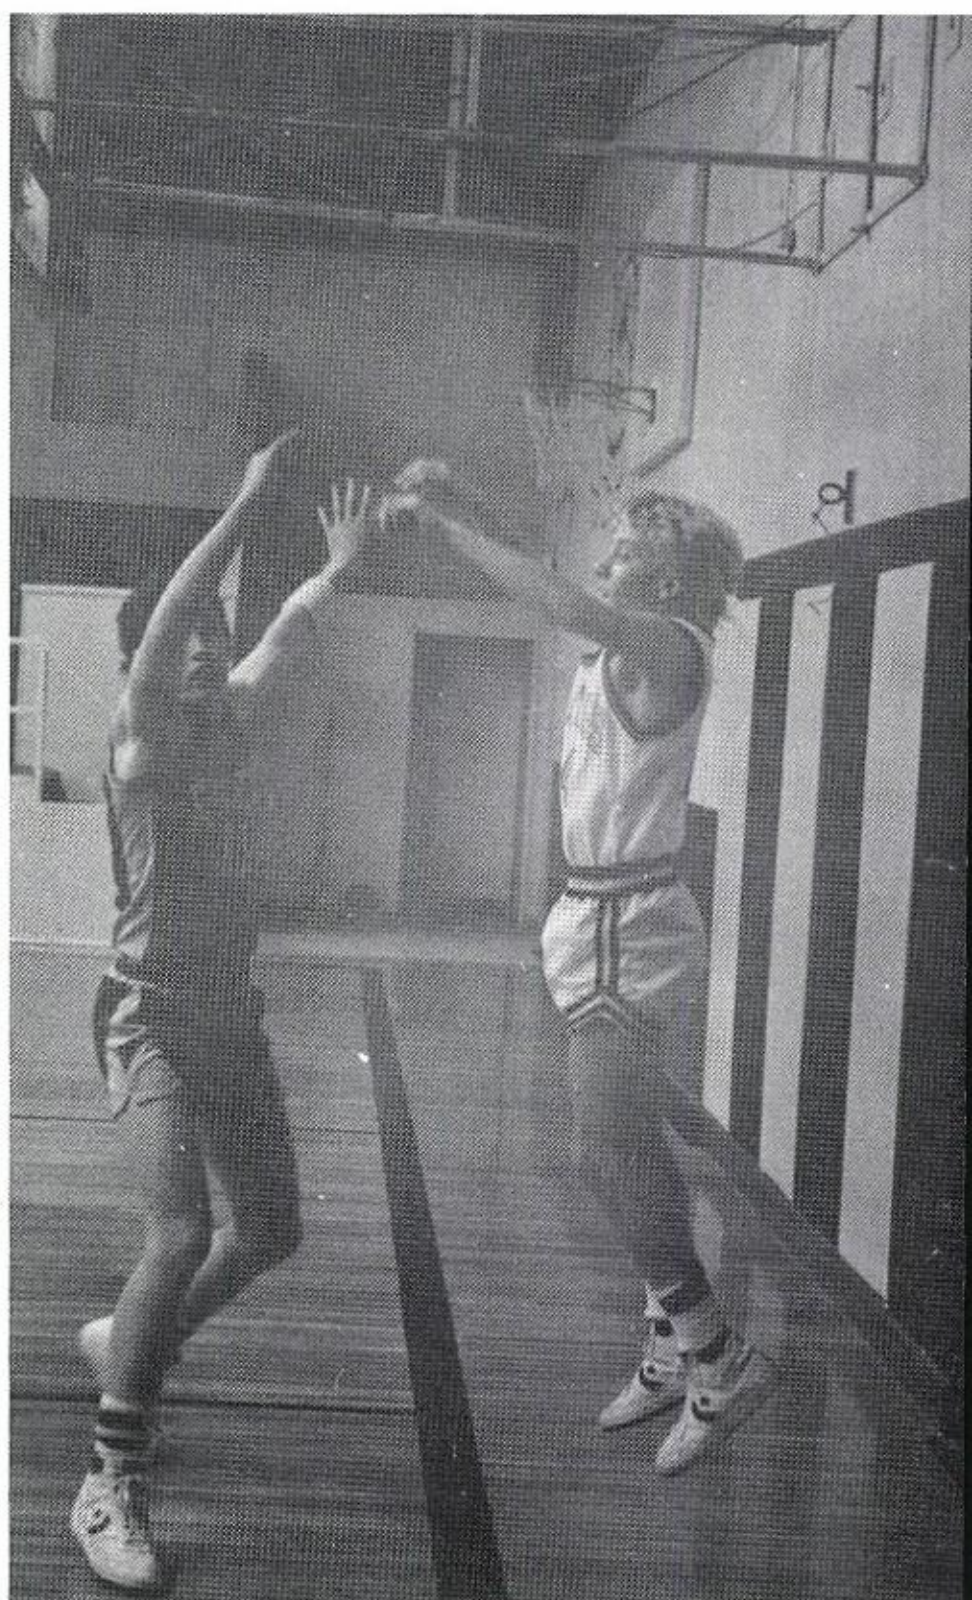

This year's team consisted of nine sophomores and one junior. The young team had a good year as far as experience goes. There were several players that improved tremendously and the coaches are really looking forward to next year. In the past this group of young men had to play behind some very talented individuals and did not get a chance to play. While some of those players started on varsity, this other group got a chance to shine and show what they could do.

J.V. Boys: Randy Towery, Chris Gray, Robby Althenn, Jeff Chorn, Russell Eoff, James Dodd, Jereme Buchanan, Jason Preslar, Steve Fischer, Coach Long.

Steve Fischer proves that height isn't everything in basketball.

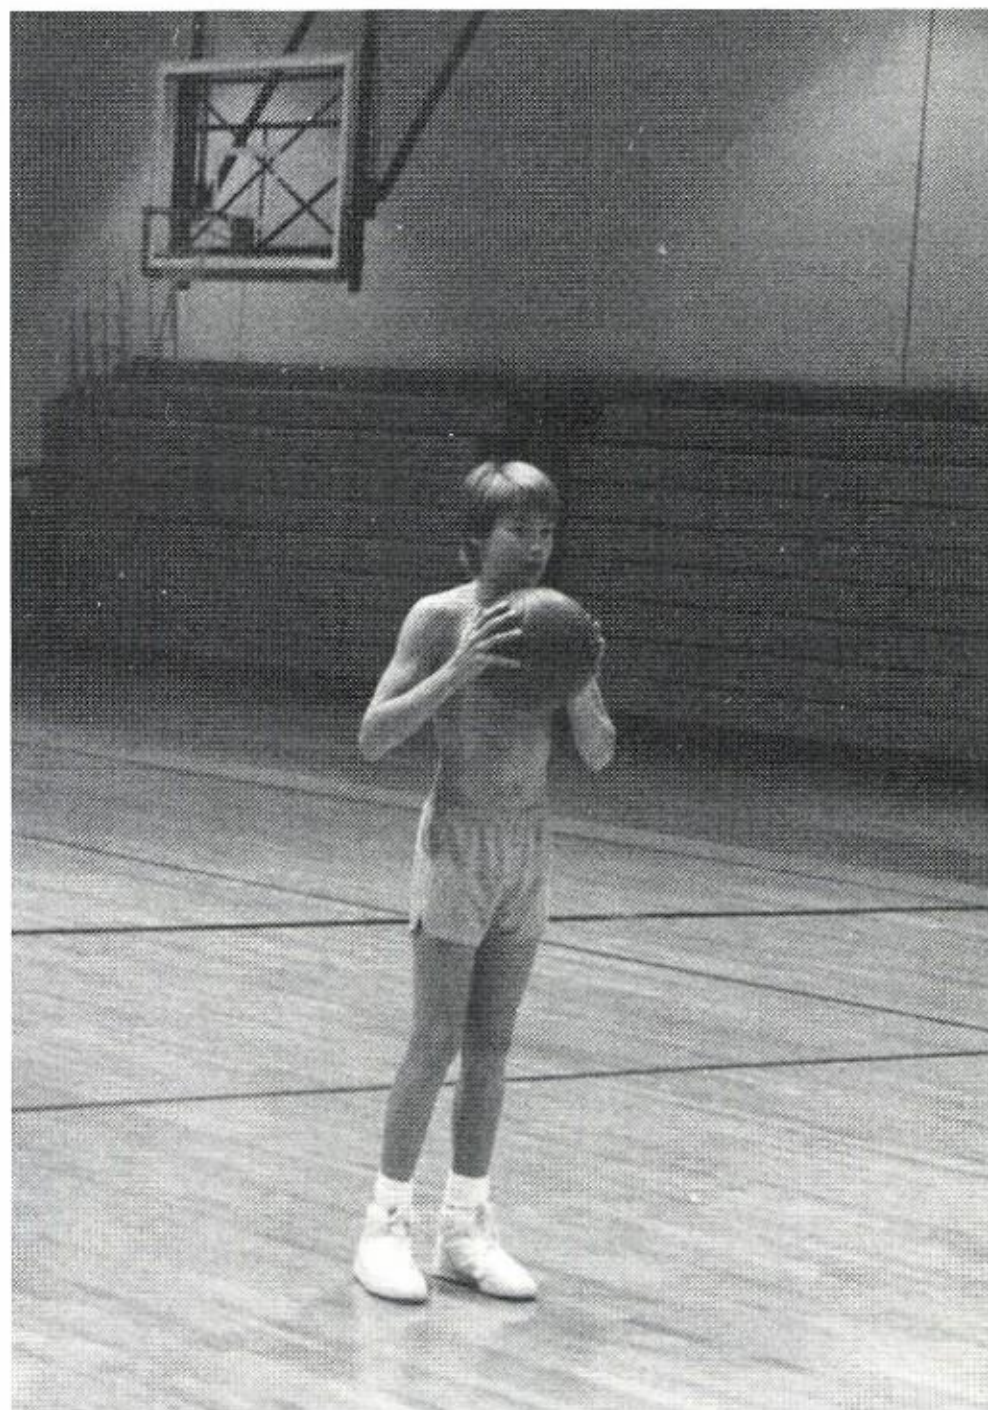

FRESHMEN LOOK TO THE FUTURE

Practice is the highlight of Brian Gray's day.

Although the Freshmen boys did not have a very impressive record this year, they had a successful year as far as experience goes. They showed great enthusiasm in learning many valuable skills that will help them in the future. They learned about teamwork, sportsmanship, and how important communication is in all sports.

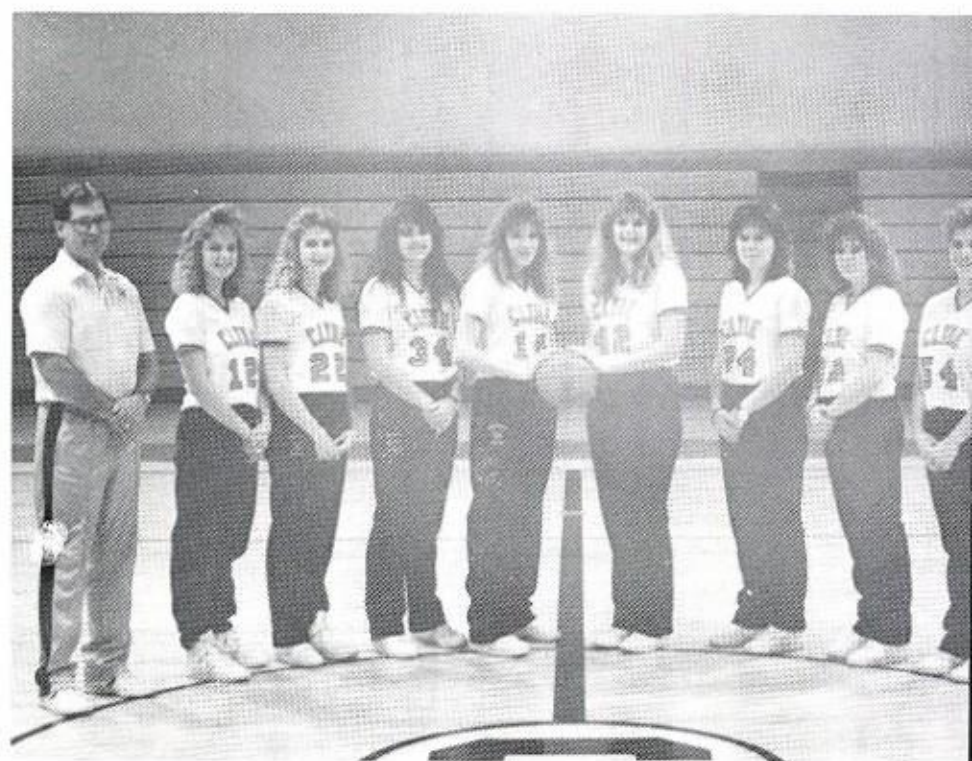

Duncan Isenhower wonders, "Is this ball flat or what?"

Freshmen boys: Jody Hedden, Mark Reed, Tim Dodson, John Anderson, Shad Conlee, Zach Brady, Jimmy Armstrong, Cameron Strange, Tabb Scott, Yancy Buchanan, Duncan Isenhower, Guy Palacios, Brian Gray, Coach Funderberg.

VARSITY GIRLS BASKETBALL

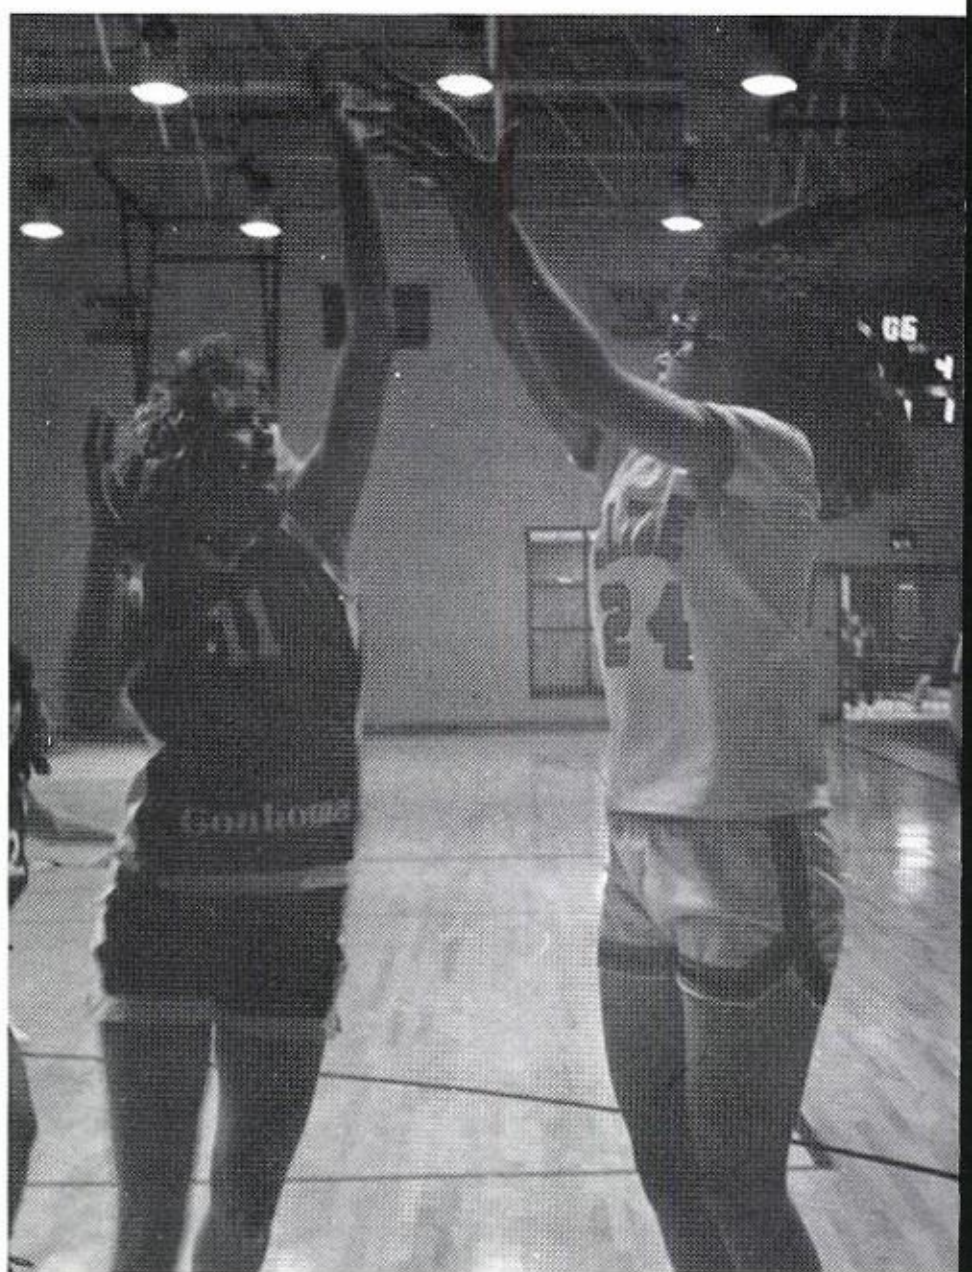

The Varsity Girls Basketball Team was directed by Coach Eddie Farmer. The girls had an impressive year of 11 wins and 7 losses. They had a record of 6 wins and 3 losses in tournament play. There was a new 3 pt. rule this year and the Clyde team immediately took advantage of it. The team made 58 3 pt. shots this season. Leading the 3 pt. shot range was Senior Jill Howle. Leading the 2 pt. range and freethrow shots was Junior Lari Dee Guy. The team consisted of 1 Sophomore, 5 Juniors, and 2 Senior players.

J.V. GIRLS

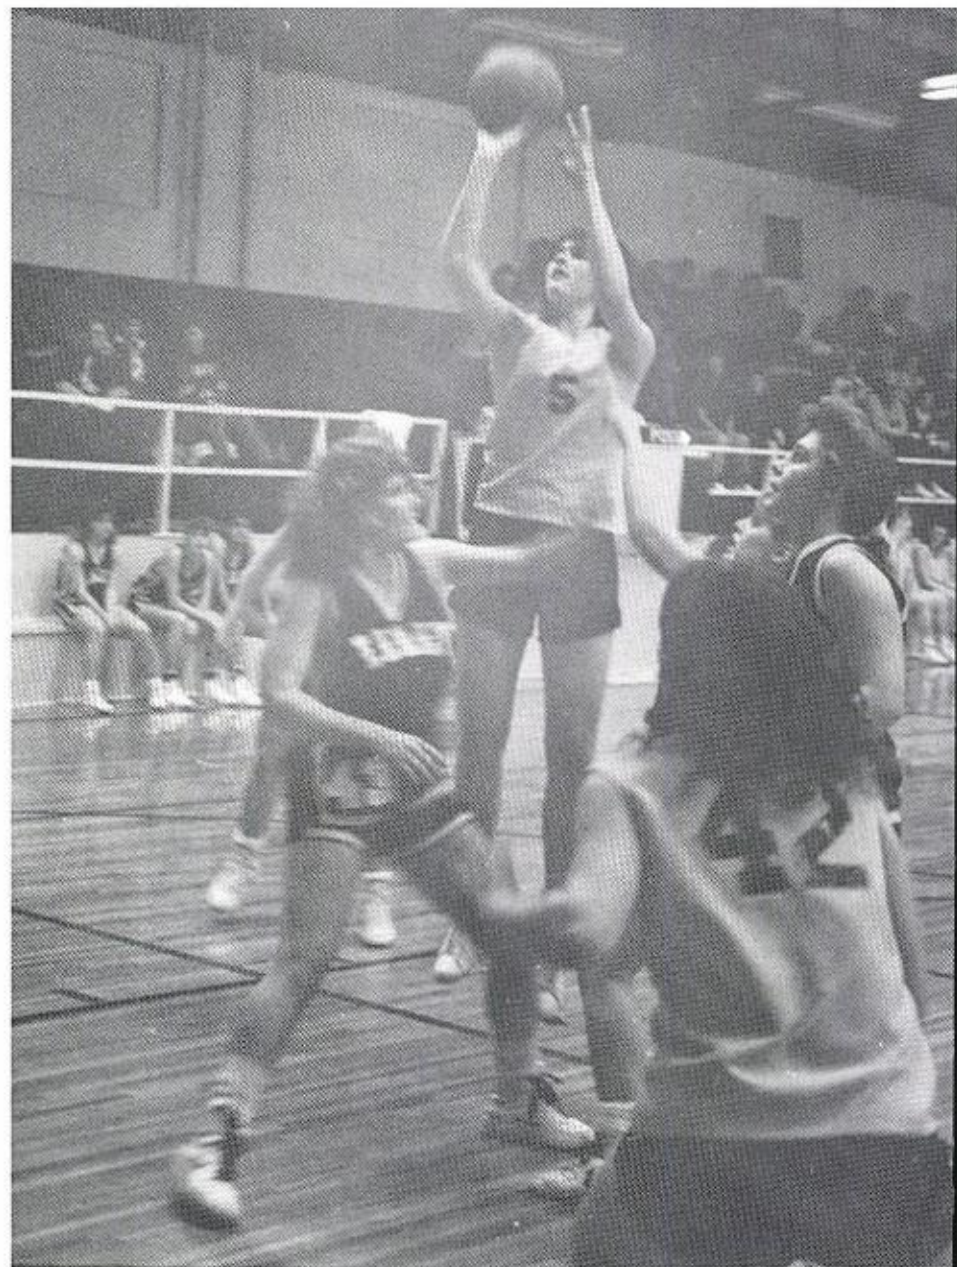

The J.V. Girls Basketball team had a season of 1 win and 13 losses. Their record may not show a very impressive season, but the team will tell you otherwise. They learned a lot this year. They learned how to stick together through any situation and definitely the definition of "TEAM WORK". Coach Farmer is looking forward to adding some of these girls to his Varsity squad next year.

FRESHMAN

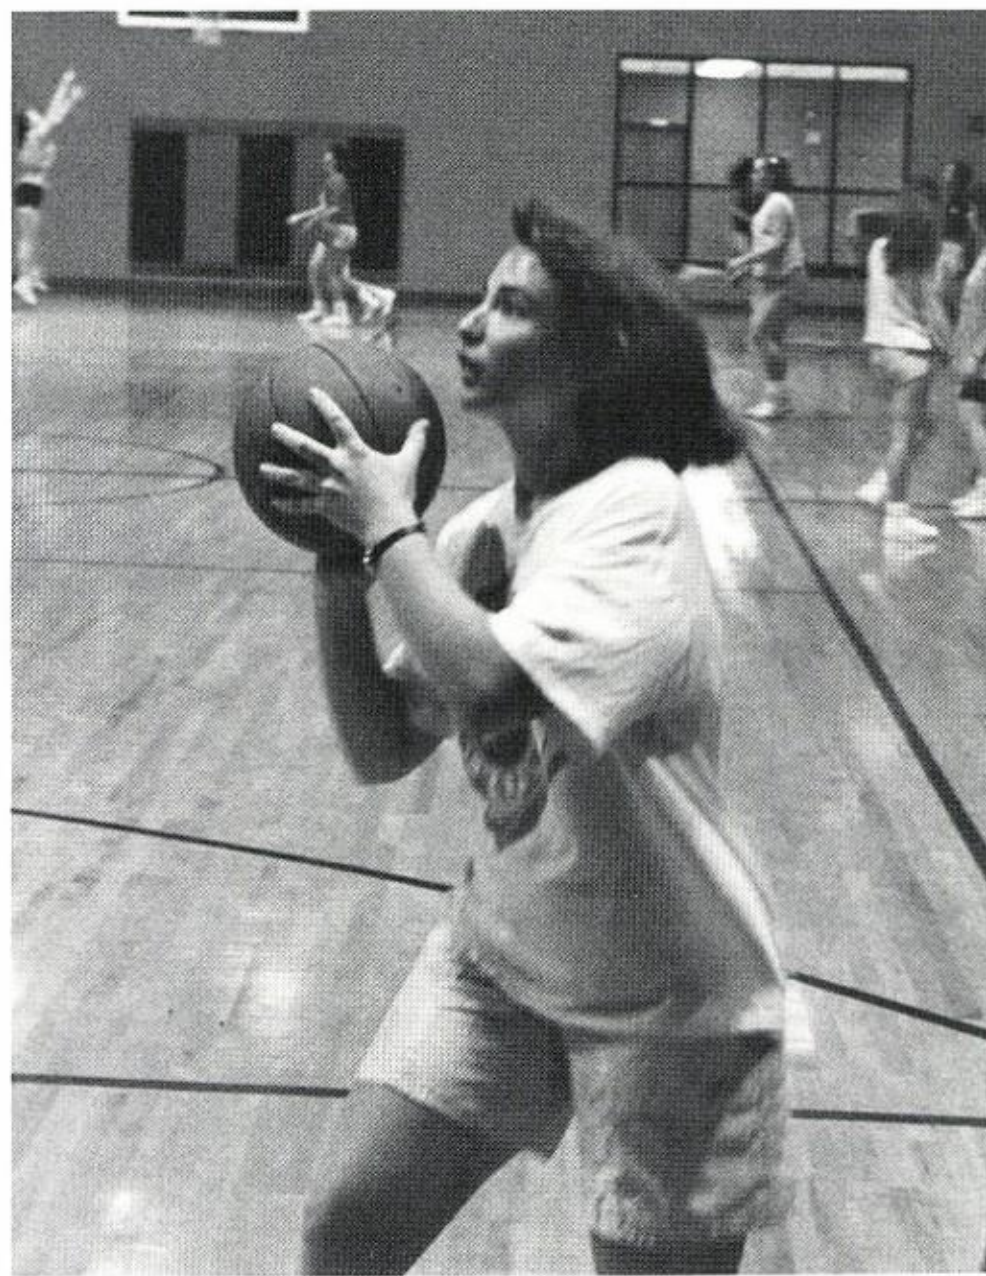

Michelle Calvert, Wendy Birdsong, Misty Adams, Paula Whiteaker, Becky Stephenson, Paula Rose, Kelly Brown, Melanie Preslar, Freda Duffel.

The freshman girls learned that the transfer over from junior high sports to high school sports was not going to be as easy as they had expected. There were long hours of after school practicing involved and much harder competition. But, as bad as all of this sounds, they learned a lot from all of this. They learned the team work, dedication, and concentration that is demanded from a player involved in a sport. The freshman players all proved that they each and every one had what it took to make it.

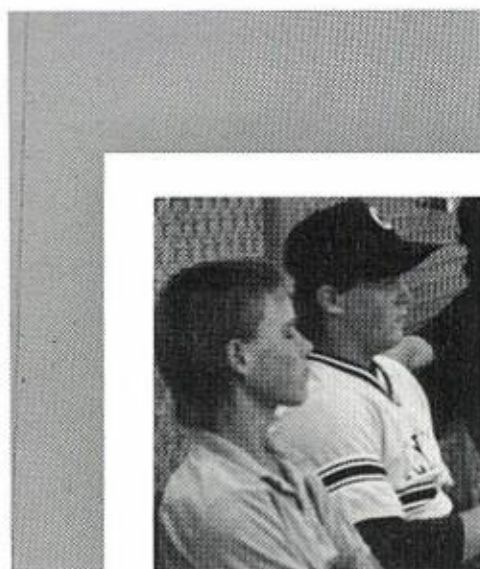

Michelle Calvert tries to concentrate on getting the play right just one last time!!!

Wendy Birdson Concentrates on her outside set shot.

JUST LOOK AT US NOW!

Last year's baseball season insured a bright future for the baseball program at Clyde High School. The 1987 baseball team made their presence known in the class 5-3A district by placing runner-up. This qualified them for the Bi-District playoffs, where they were beaten by Iowa Park. The team had a season record of 14-11 while their district re-

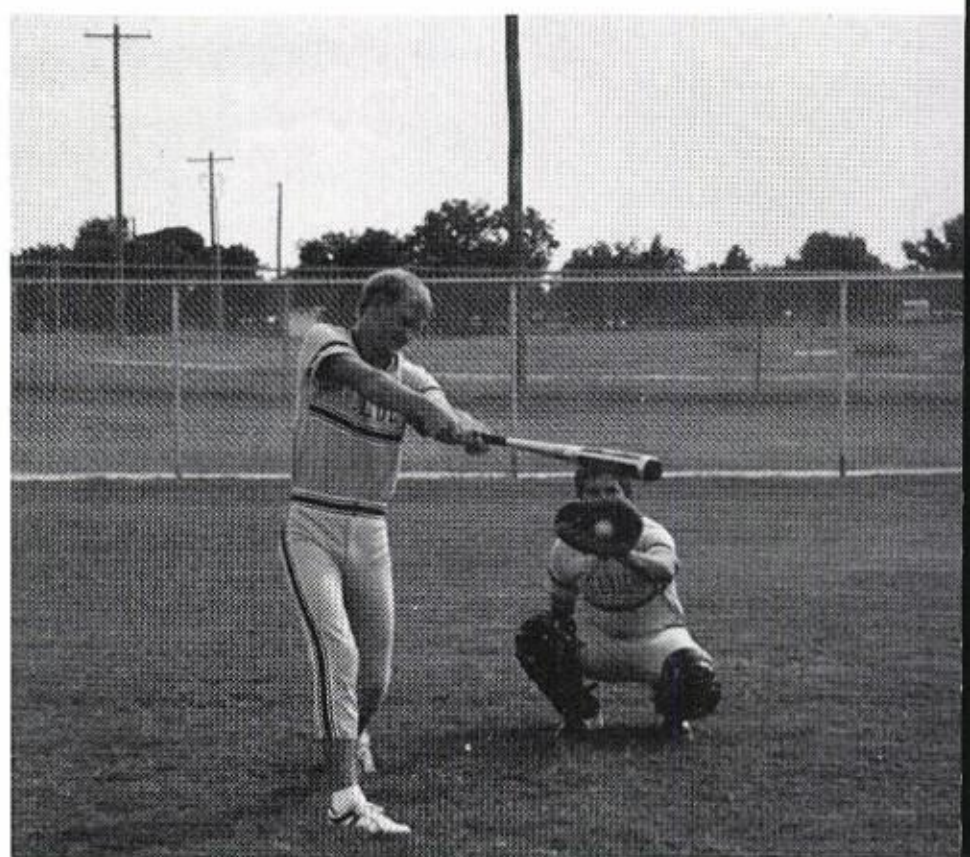

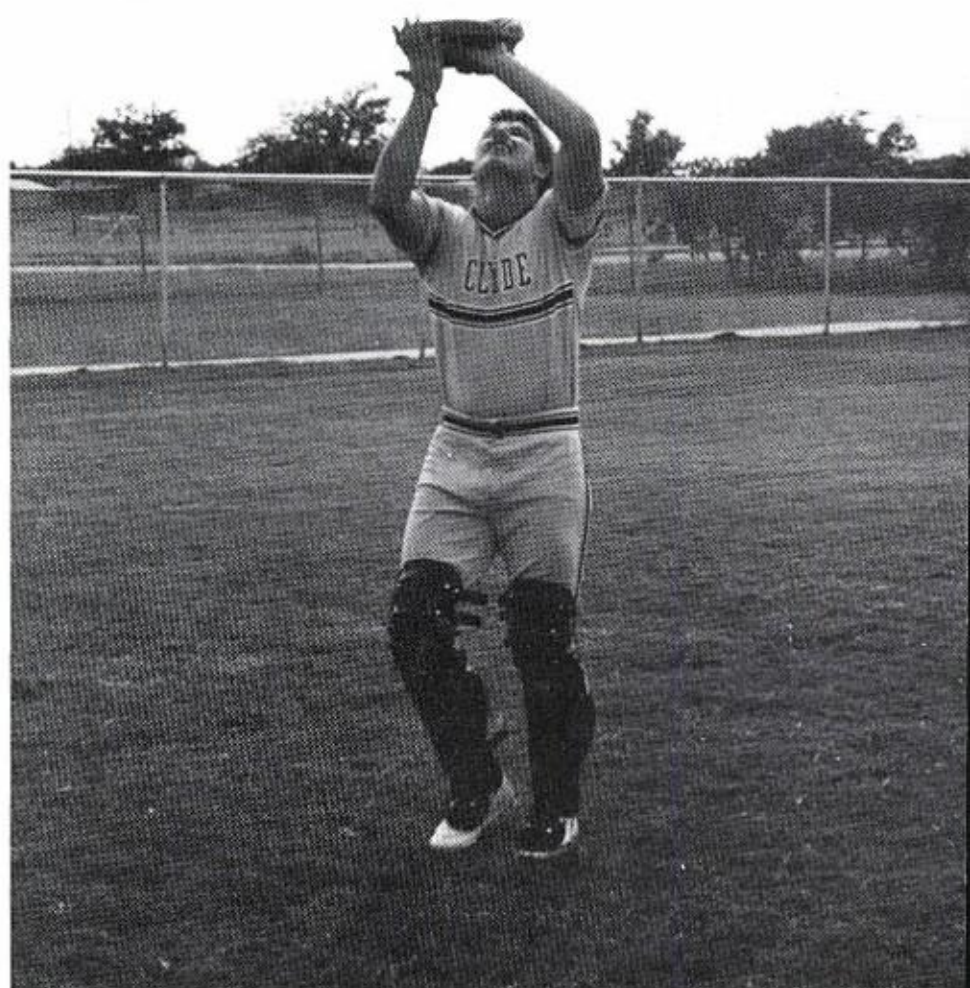

cord stood at 4-4. Some of the returning starters included: Kelle Kapke, Lance Burleson, Jeff Buchanan, Chris Shelton, Jeff Howle, Mickey Green, and James Lane.

Returning starters are, left to right: **top row:** Jeff Chorn, Lance Burleson, Chris Shelton. **second row:** Kelle Kapke, James Lane. **third row:** Jeff Howle. not pictured: Jeff Buchanan, Mickey Green.

After a long inning the team comes into the dugout for their turn at bat.

Kelle Kapke concentrates on another perfect catch.

Lance Burleson barely misses a pitch from Jeff Howle.

CROSS-COUNTRY

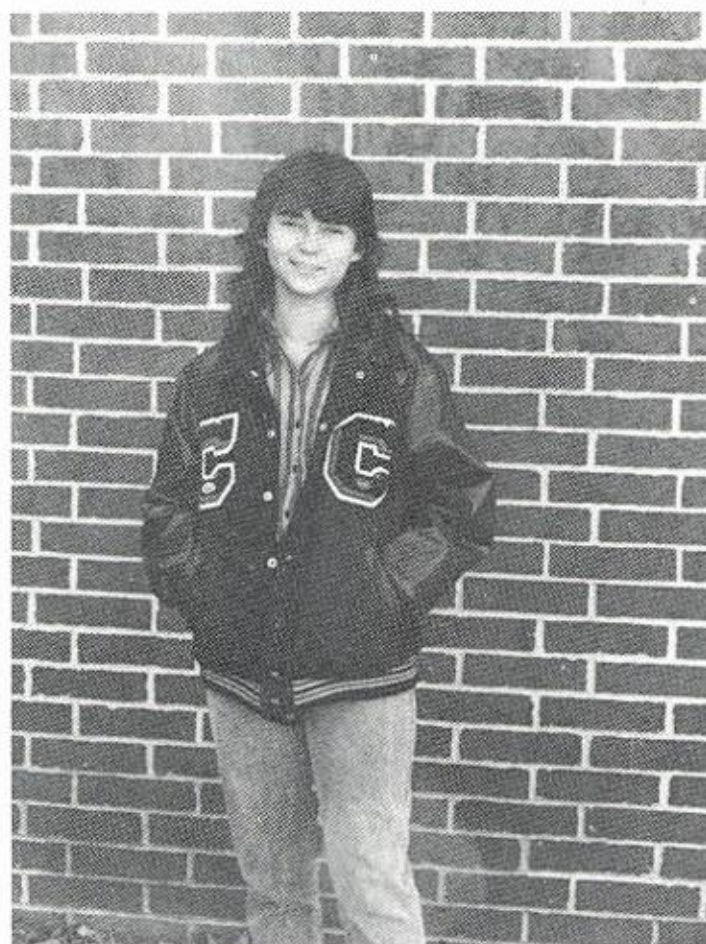

The cross-country girls lead by Coach Loper put out a lot of effort. They ran many miles after school. They would meet and stretch at 3:30 and sometimes still be at the school at 4:30 or 5:00. That's dedication.

The cross-country team consists of Heather Godsey, Mendy Chambers, and Rena Arroyo, all sophomores.

Mendy Chambers, sophomore, provides excellent opportunity for cross-country in years to come.

Rena Arroyo, sophomore, has great potential for coming years.

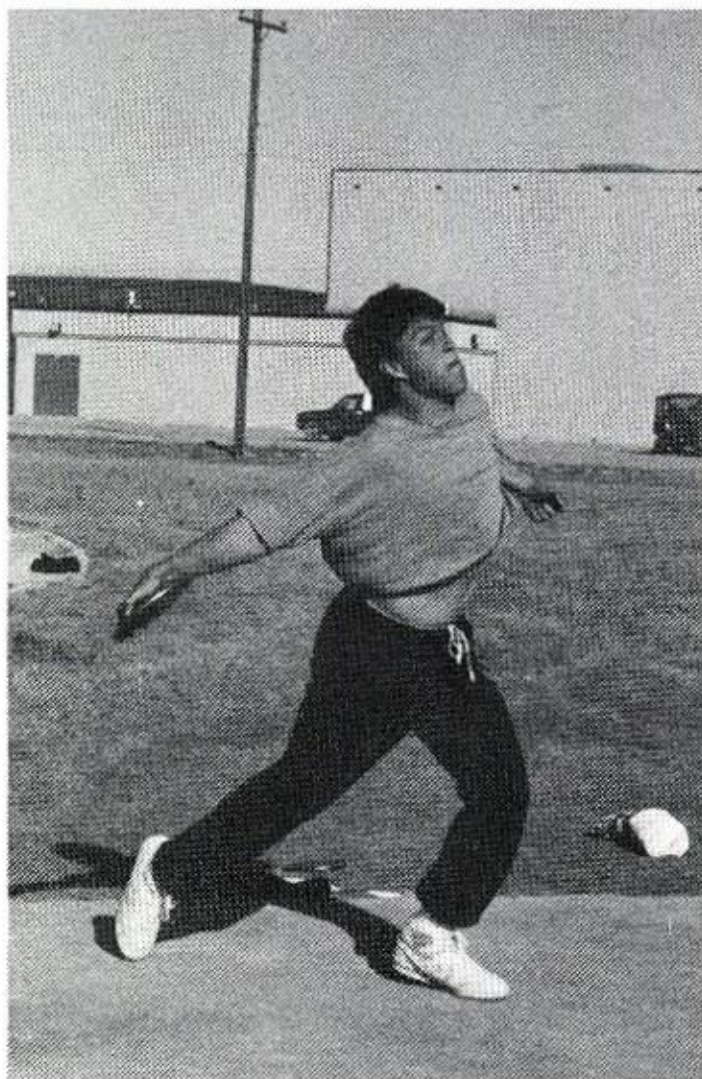

VARSITY BOYS TRACK

Only constant practice produces Winners!!! Remember if you cheat you are only hurting yourself. These are familiar words to the track team. Daily practices started in February, under the direction of Coach Brown, the runners worked on perfecting starts, finishes, and handoffs. Those in field events worked on perfecting their style. The track team has high expectations for this year.

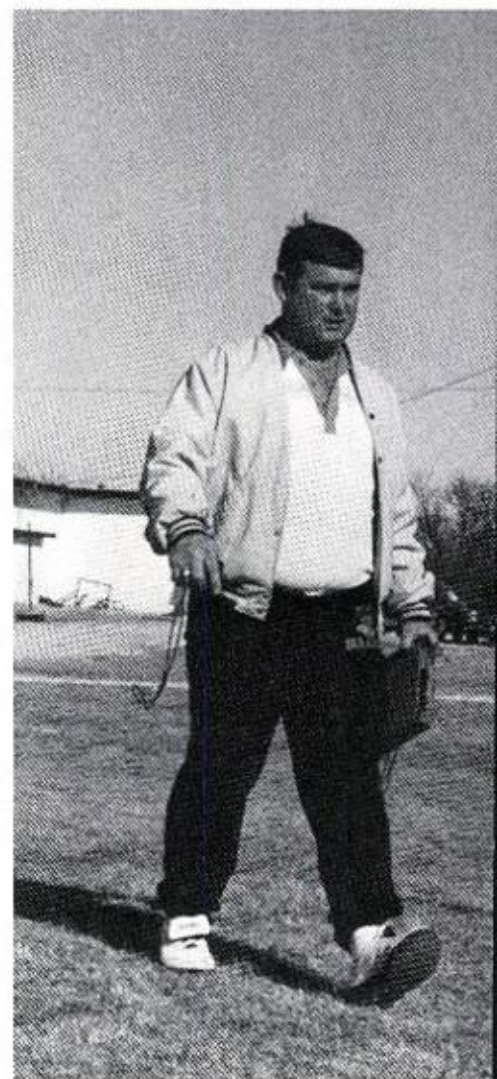

Tim Dodson gets himself ready for the workout ahead.

Zach Brady gives the disc all he has.

Coach Brown walks out to track practice with great expectations.

The 1987-88 Clyde Boys Track Team consisted of the following: **Top row left to right:** Coach Brown, Terry Cato, Zach Brady, Cameron Strange, Larry Burleson, Britt Gardner, Randy Richardson, Kevin Dugan, Rober Ziehr, and Coach Funderburg. **Bottom row, left to right:** Tim Dodson, Shane Job, David Linahan, Shaun Fletcher, Jason Preslar, Jody Hedden, John Anderson, and Wayne Saunders.

VARSITY GIRLS TRACK

Darla Barnes practices her hurdle form, in hopes of great finishings this year.

The Varsity Girls Track Team for the 1987-88 school year was a great one. Only four seniors came out for the team. They were Jill Howle, Marsha Young, Laura McKinley, and Michelle Chrane.

The girls had a new coach this year, Coach Plowman. She made the girls run and run hard. She put them through a hard workout everyday, but they came out ahead.

The girls were excited about track until it actually started. The first week was pain and agony for them, of course. But it turned into a successful season for the girls' track team.

Marsha Young begins her warm-up by running a quick 400 meters.

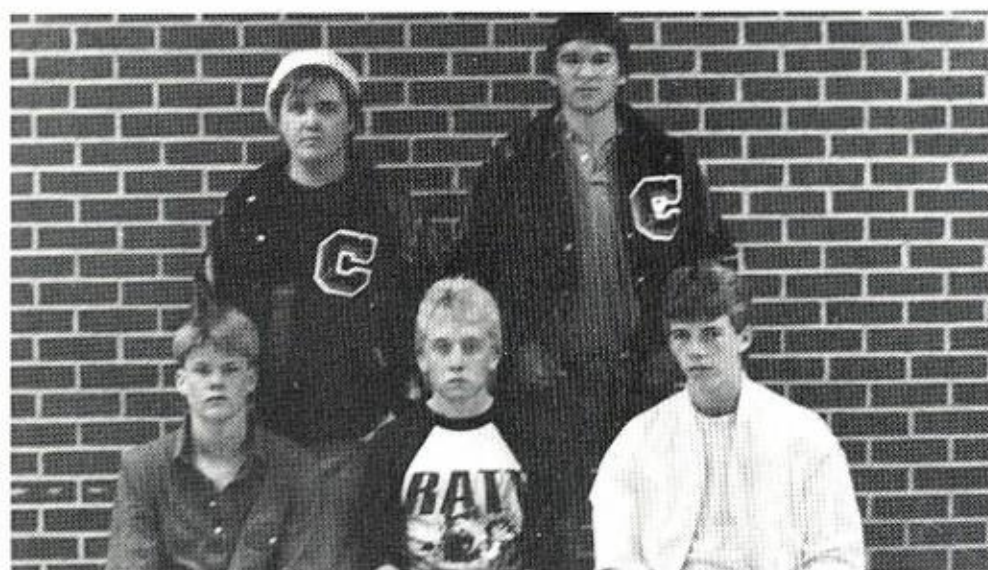

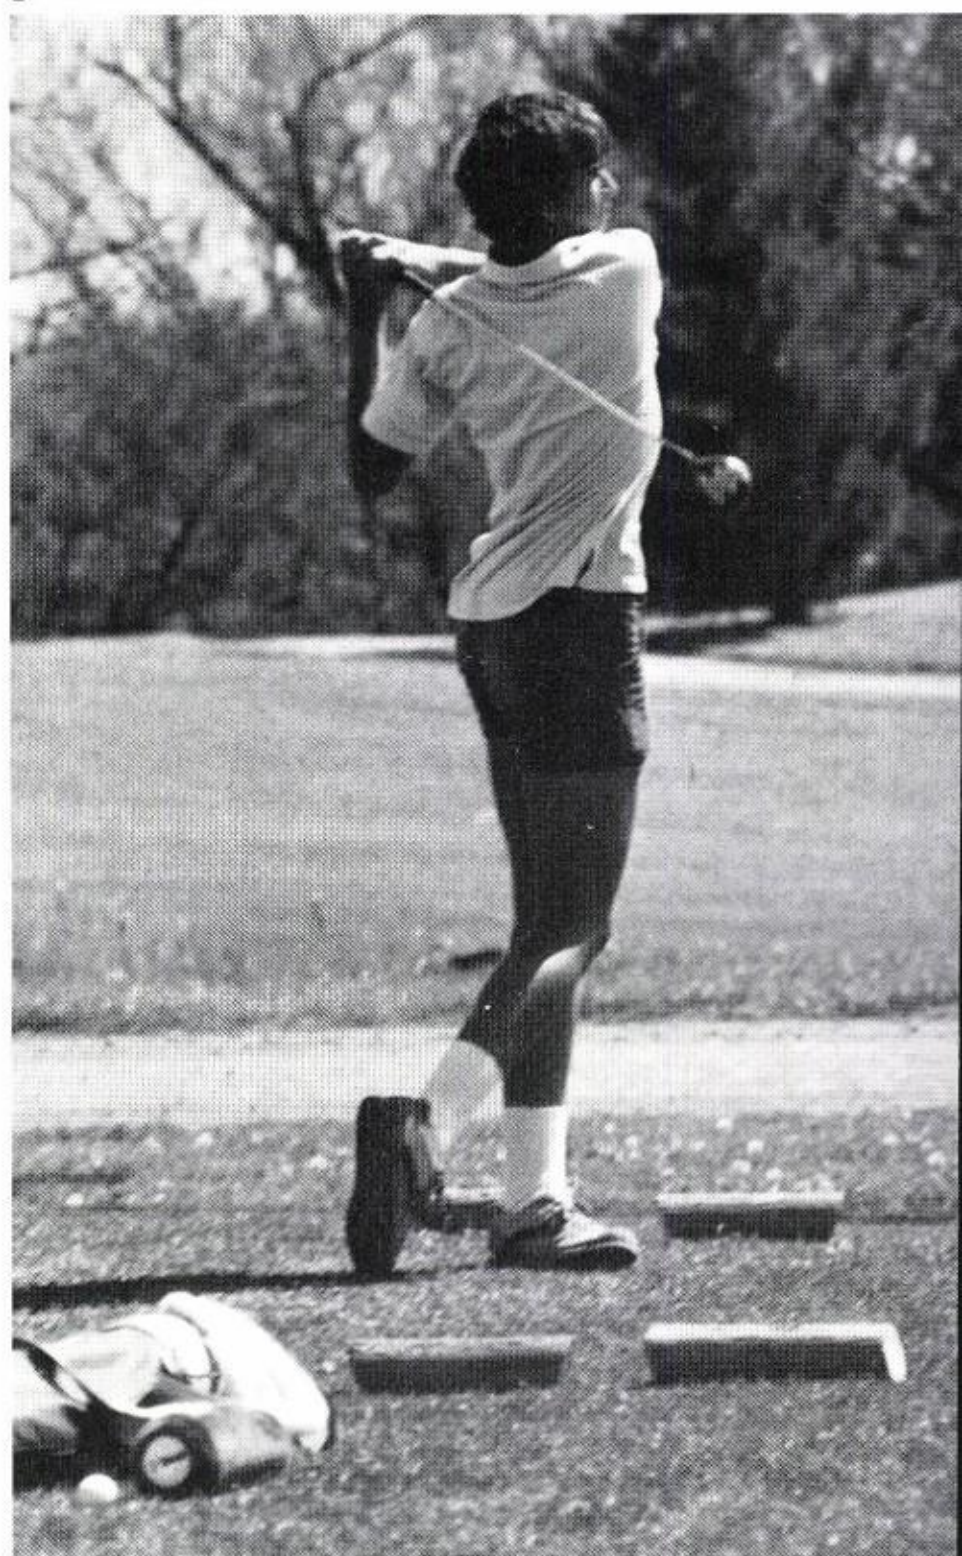

The 1987-88 Clyde Girls Track team consisted of the following: **Top row, left to right:** Wendy Johnson, Alisa Faircloth, Janine Buchanan, Joni Cooper, Paula Rose, Becky Stevens, Jill Howle, Chrissy Bunker, Becky Brown, Marsha Young, and Laura McKinley. **Bottom row, left to right:** Melanie Preslar, Julie Rutledge, Sarah Windham, Sandra Prew, Michelle Chrane, Darla Barnes, Tracy Burns, Wendy Birdsong. STROCKIN' AND CHOCKIN'

The '87 season was one that will be remembered by Golf fans in Clyde for years to come. The team consisted of Jeff Rorie, Randy Towery, Steve Fischer, Aaron Holt, and Richard Sheffield. Through the direction of Coach Fred West the team placed consistently in the top three in most tournaments this previous year. The District tournament was the highlight of the year which was held at Maxwell Municipal Course in Abilene. Placing second at district our "Swinging Boys" won a birth to go to the Regional Tournament in Odessa at Mission Hills Country Club. Jeff Rorie placed second at the Regional tournament which entitled him to go to the State Tournament in Austin. The hopes are high for this season. The entire team is returning and several outstanding Freshmen give Clyde a good hope for the year.

THE UPPER HAND ON LOVE

Patty Ball practices hard at the beginning of her fourth year to play on the tennis team.

Not long after basketball, the activity of playing tennis began. The team practiced in the gym because of the building of the new cafeteria. But, the girls did practice daily. They worked on conditioning as well as their playing capabilities. Although there were only two returning, experienced players, Patty Ball and Kim Burson, they hoped to volley and serve their way through district play.

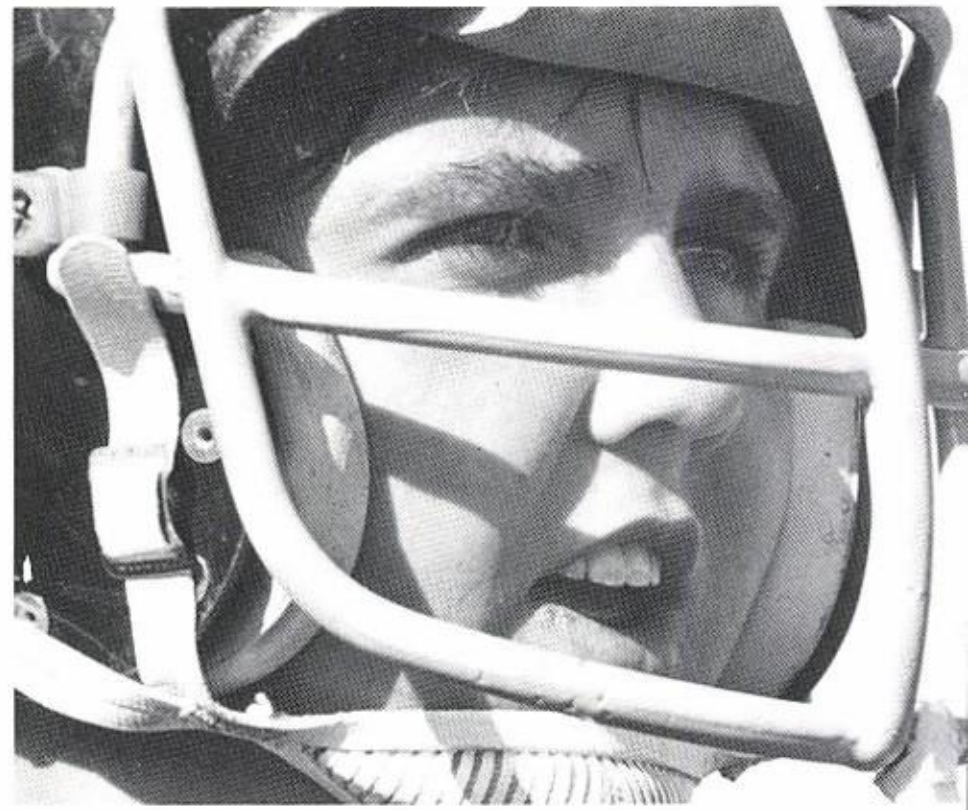

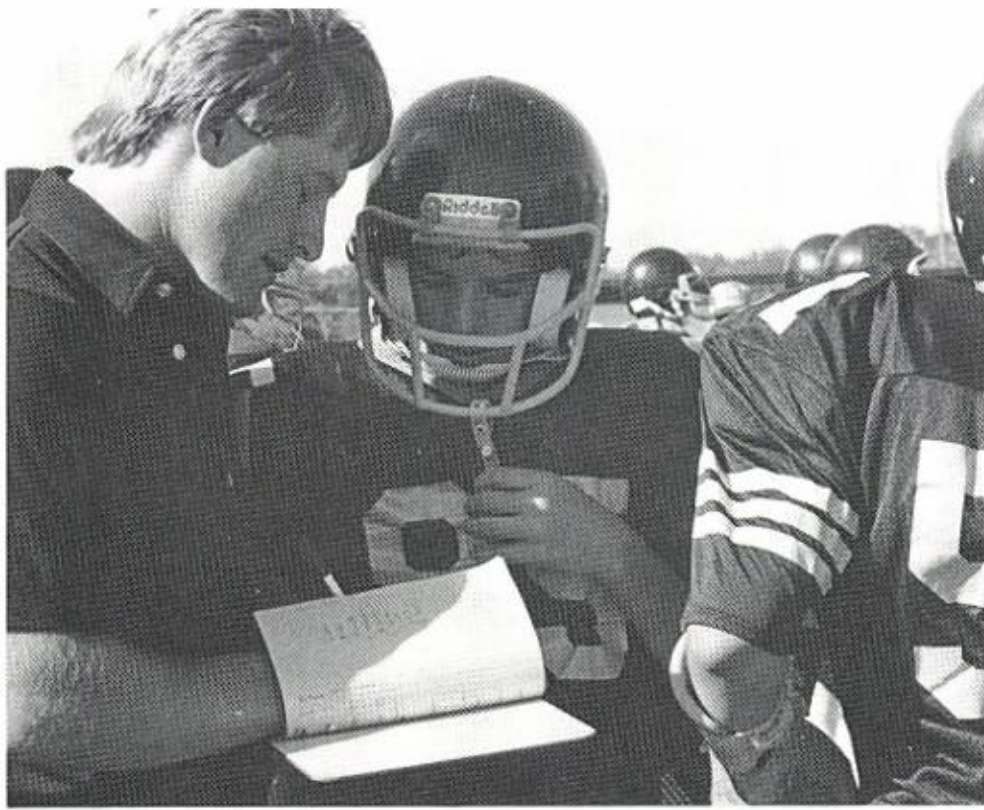

The team had meets in Breckenridge, Santa Anna, Winters, and Sonora, which is district.

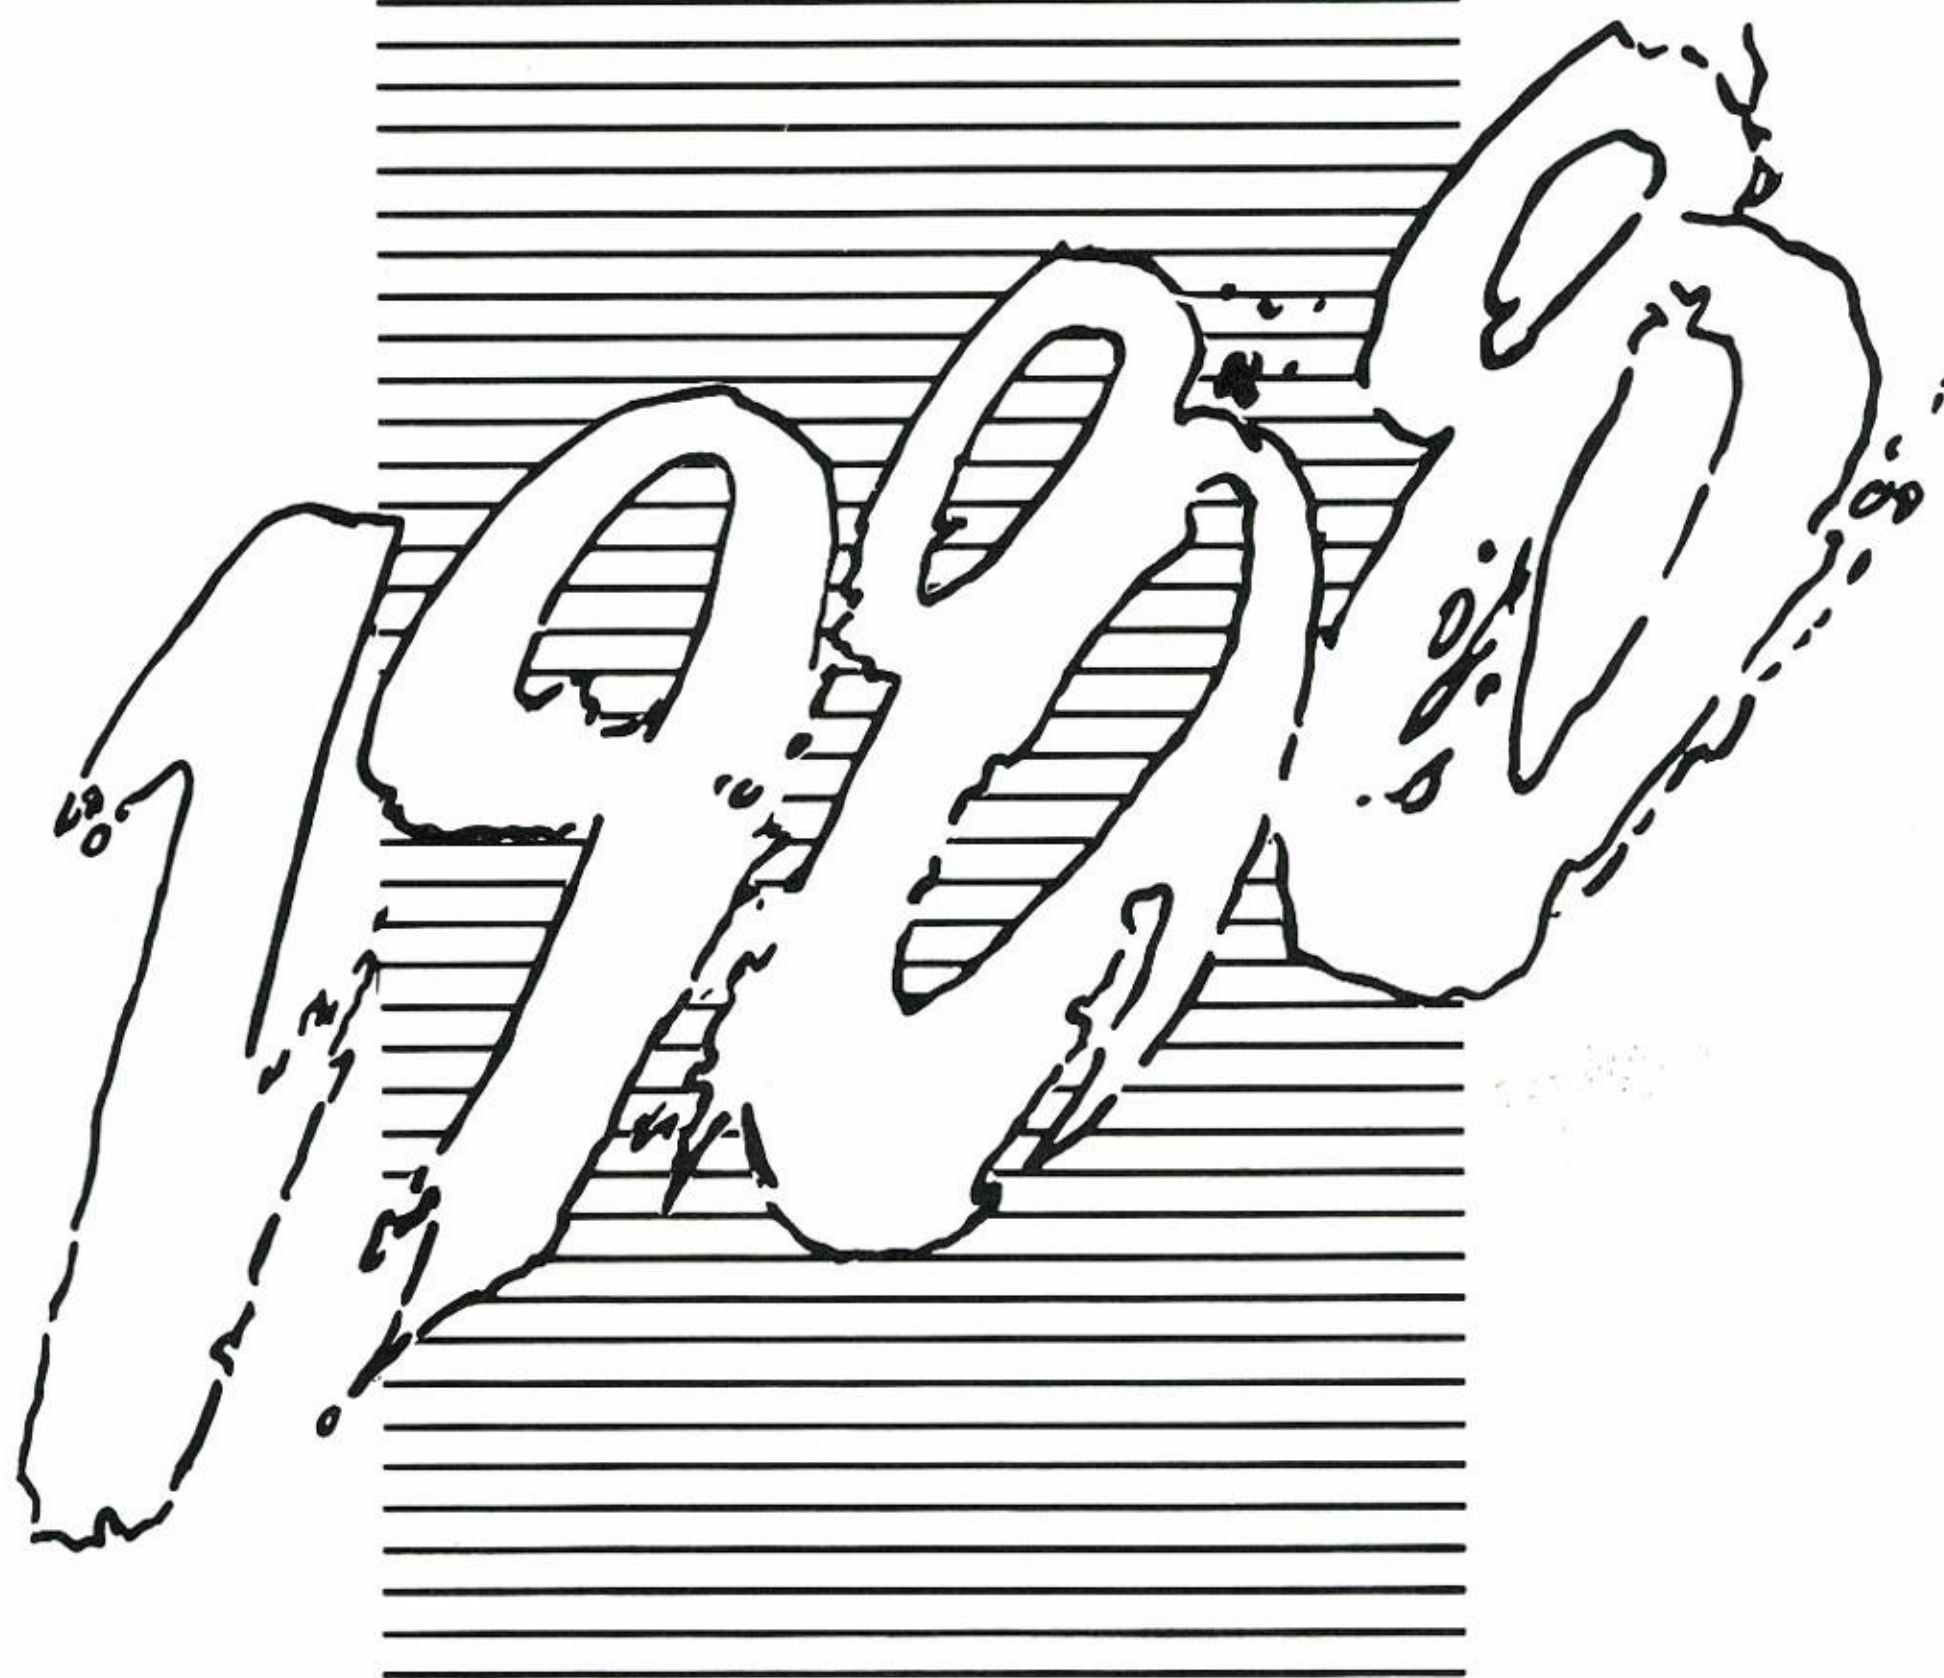

This year's tennis team, coached by Eddie Farmer, consists of Patty Ball, senior, Kim Burson, junior, Jennifer Ball, sophomore, Marsha Hayes, sophomore, Amy Mashburn, sophomore, Amy Parker, freshman, Stacy Parker, freshman, Michelle Calvert, freshman, and Christy Barrows, freshman.

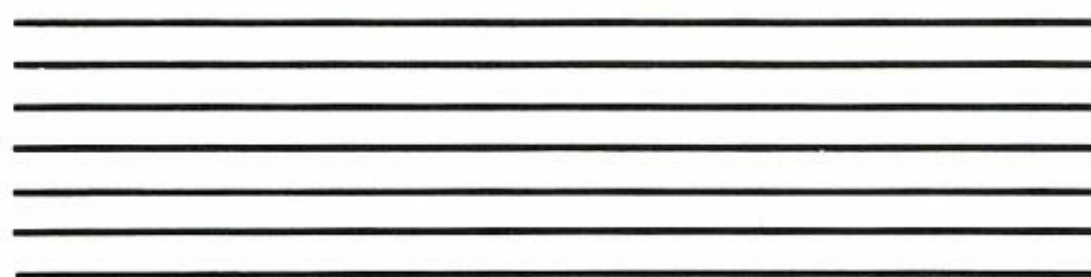

Stacy Parker works hard in practice.

ORGANIZATIONS

WE GOT THE BEAT!

Band members ended the summer with a week long camp. Everyone had fun trying to start the year off on the right foot.

Spirit was high because of the new uniforms the band finally received after years of trying. Everyone was anxious for the football season to begin so the public could see how well the band looked. Band members held their heads high and were proud to be in the "Fighting Band from Bulldog Land."

Members of the band worked hard to prepare for U.I.L. marching contest. They went to Abilene October 24 to compete at Shotwell Stadium. They received a Division II rating, which is excellent.

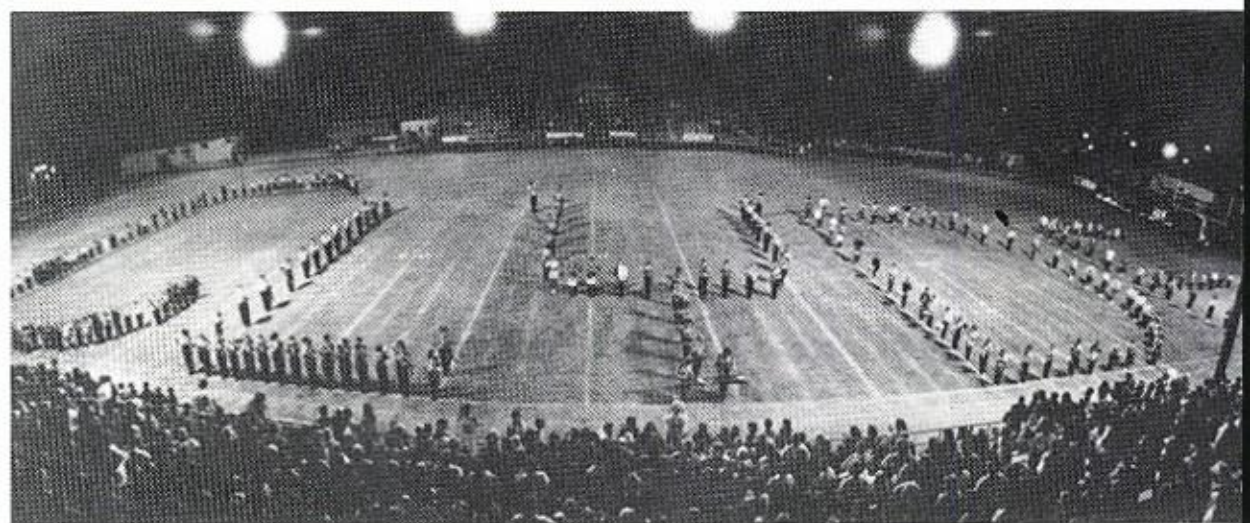

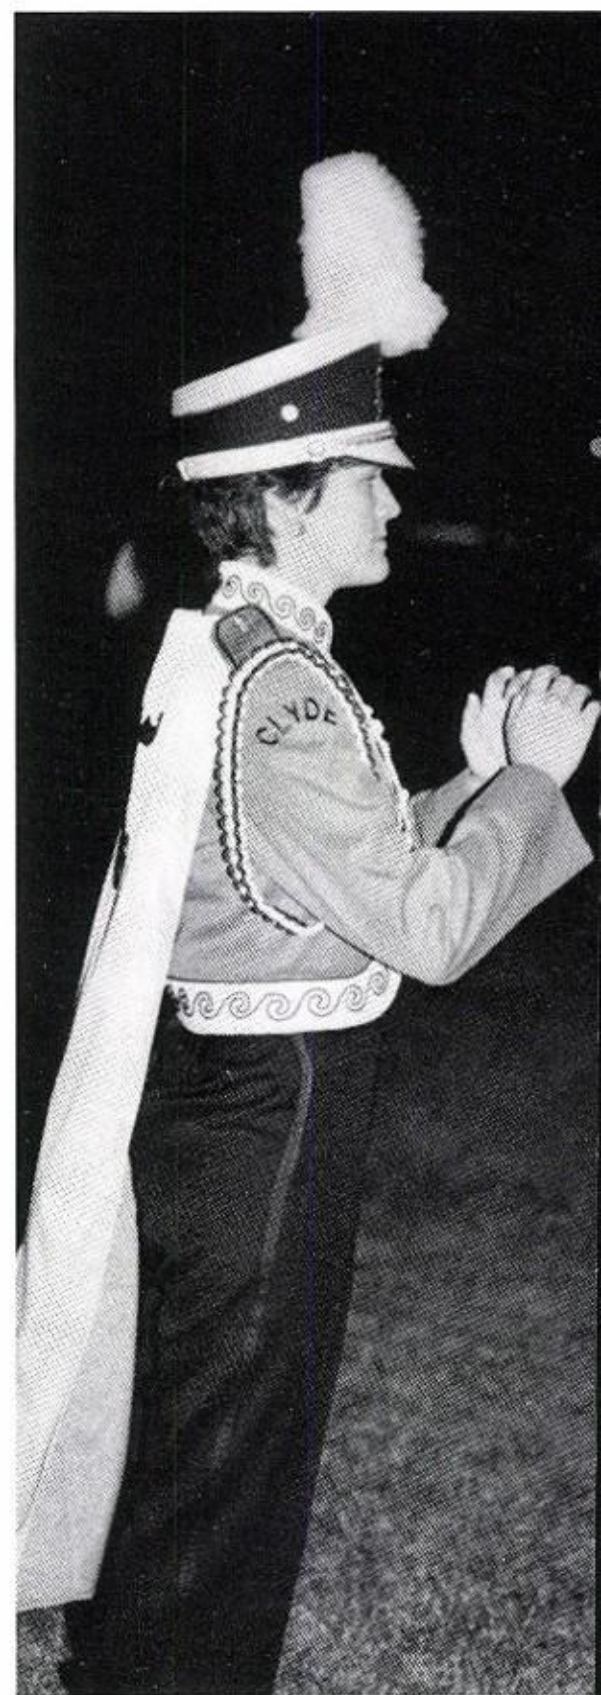

The C.H.S. band had a great year and Clyde Pride was definitely back in full force!

SCIENCE CLUB

Buckaroos

The Science Club had a fun and exciting time this year. Not only did they have the World's Finest Chocolate fund raiser, but they also took a field trip to the Y. O. Ranch.

This trip was four days of leadership and environmental awareness programs. The ranch is located 100 miles northwest of San Antonio, in the heart of the Texas Hill Country. The Science Club members found this trip to be very enlightening in the leadership and environmental awareness areas.

PEP SQUAD/ DANCE TEAM SHAKE, RATTLE & ROLL

Under the direction of Diann Jackson, the Pep Squad started the new school year with many spirit building activities. They held a clinic and helped cheerleaders with two-a-days refreshments. During the week of games they decorated the hallways with black and gold streamers and new wave signs.

A few girls were elected to form a Drill Team. These girls performed at pep rallies and at football games. A fun-filled but hard working week was spent on the Hardin-Simmons campus learning many difficult and breath taking dances. They also helped cheer at the JV football games.

The Drill Team were always improving while providing an extra boost of energy to CHS followers.

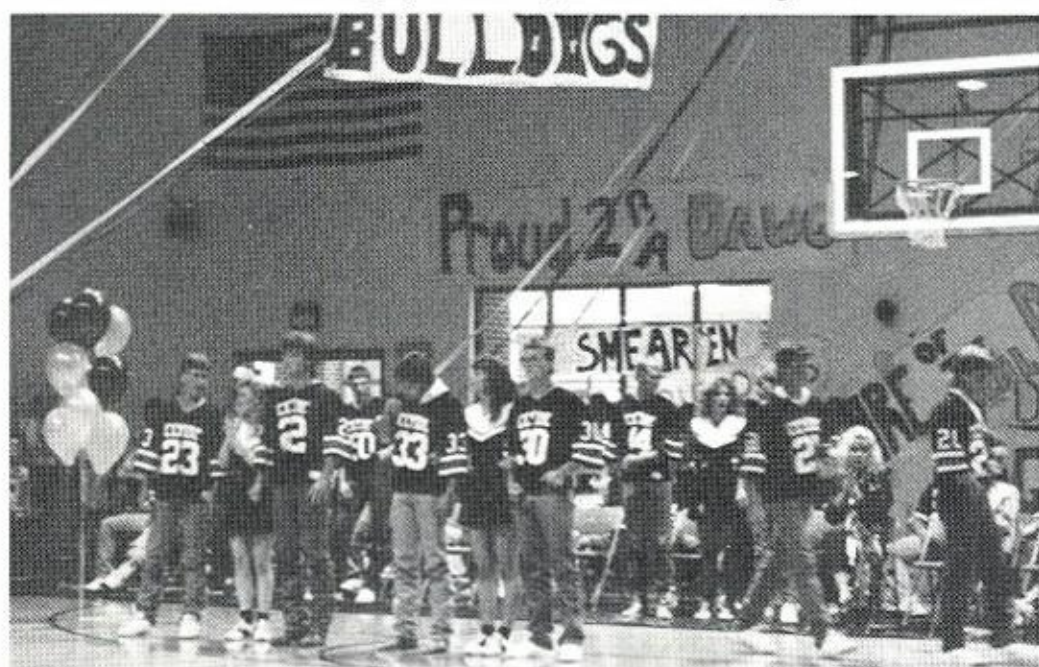

Outrageous outfits were always a major prop for the Drill Team members.

TRICKY, TRICKY, TTTT, TRICKY!!!

The Varsity Cheerleading squad was composed of 6 Seniors, 1 Junior, and Sponsor Mrs. Lori Funderburg. Having so many Seniors on the squad definitely attributed to the squad and its ability to promote enthusiasm and leadership. The cheerleaders number one goal was to get as many people involved in the season activities as possible. This was where their theme, "GO FOR THE GOLD" was derived from.

The Cheerleaders were responsible for a number of new activities. You could always find 25-30 people in the gym on Thursday nights helping with the decorations for the pep-rally or giving their opinions on a new cheer or dance. In return classes were never left out of the pep-rallies. There was a competitive sign contest, skit, or spirit contest every week.

REFLECTIONS!!

The yearbook staff started out the year by going to yearbook camp at the University of Texas in Austin, during the summer. Here each member learned how to do their job on the staff and how to contribute their best to it. Camp wasn't all work and no play; they also had their fun. This was true throughout the year, although they worked hard to meet all their deadlines, fun was somehow always in the picture.

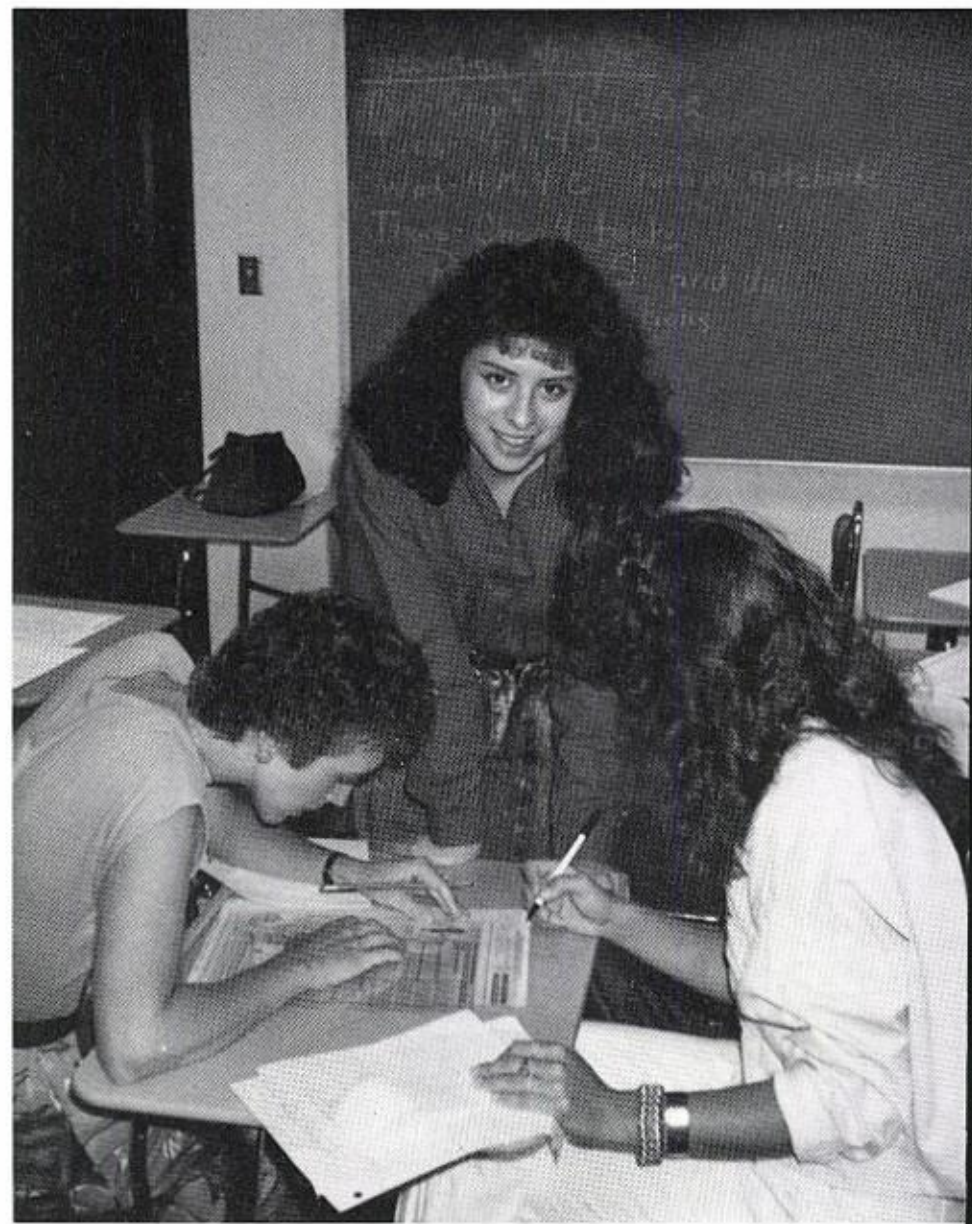

Then on the first day of school the staff thought of the theme for this year, "REFLECTIONS!" Because the staff consists of all seniors, they wanted something special for this year. The staff was very *assiduous in making this yearbook the best ever. They worked hard to capture all the long lasting reflections which we will always treasure when we open this book.

BETA: A SYMBOL OF ACADEMIC EXCELLENCE

Clyde's chapter of the National Beta Club was very active this year.

The Club started the year off with the installation of 13 new members. Mendy Miller, a senior member, gave a slide show of her trip to Europe, and afterward, everyone was treated to dessert.

Beta members sold stuffed animals in the fall to raise money for their trip to Dallas

in the spring. It was the first trip in several years for the club, and everyone had a great time.

Beta also sponsored the annual activities: the award banquet and Beta-Grams Valentine's. The banquet was held April 28th at A.C.U.

The Beta Club also awards scholarships if the funds are available. Last year's recipients of \$100 scholarships were Laurie Kniffen, Georgeanne Acklin, and Kathaleen Ford.

STUDENT GOVERNMENT

The Student Council officers attended camp in Nacogdoches during the summer and met at Mrs. Kaiser's house to prepare for an interesting year. Some of the events for the year were Halloween and Ho! Ho! dress up days, and SMILE Week. They also visited the Nursing Home and furnished food for the teachers on Teacher Appreciation Day. Later in the year they sponsored a Volleyball Tournament and Anything Goes. They planned to attend the State Convention in Austin. Student Council demonstrated true leadership throughout the school year.

OEA — ALL THE WAY

The OEA officers La Donna Boles, Laura McKinley, and Patty Ball attended a leadership conference in Lubbock to learn more about OEA and their responsibilities as leaders. They came back ready and willing to make OEA a better and active club.

OEA sponsored a parent's night for the VOE classes. This allowed parents to see the equipment and skills their son/daughter learned throughout the year.

Through OEA, VOE sold merchandise and raised \$6,264.50 this year. This money will be used to buy the latest equipment so students can keep up with the fast changing technology.

The Club held a Christmas party and a "Scavenger Hunt" for the needy people in Clyde. Then they gathered at a members house and had a traditional Christmas party.

ONE STEP CLOSER

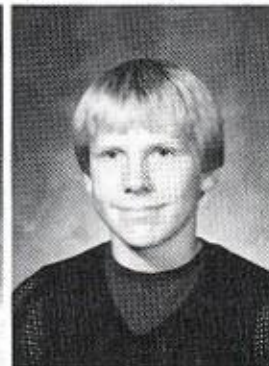

Making plans for the next four years of high school was not the only thing eighth graders looked forward to, but it was one of the most important things. They seemed to count the days until they entered high school as freshman.

The eighth graders had a good year. They held spirited pep rallies, and a good season in football. Basketball and track provided new learning experiences. At the top of their junior high career, eighth graders set good examples and led the junior high with style.

The hall is a common place for Kirk Herndon during art.

Sometimes a person can be put in a situation where they don't really know anybody and that is often true for seventh graders.

At the beginning of the year, when lockers are given out, many people have to share with someone they don't know very well and usually that happens to seventh graders and new people who haven't gotten to know a lot of people yet.

But, whether a person is sharing with a complete stranger or their best friend, the personality of both people begin to show in the way they decorate their locker. Many lockers contain photographs of family and friends. Others of their favorite rock stars and cars. But either way when the decorating is through there is the terrible fight on where to put all of the books. All of this frustration and hard work is to accomplish one goal — to break the monotonous colors of school and make it all seem a little bit more like home.

ELEMENTARY

ELEMENTARY DAZE!!!

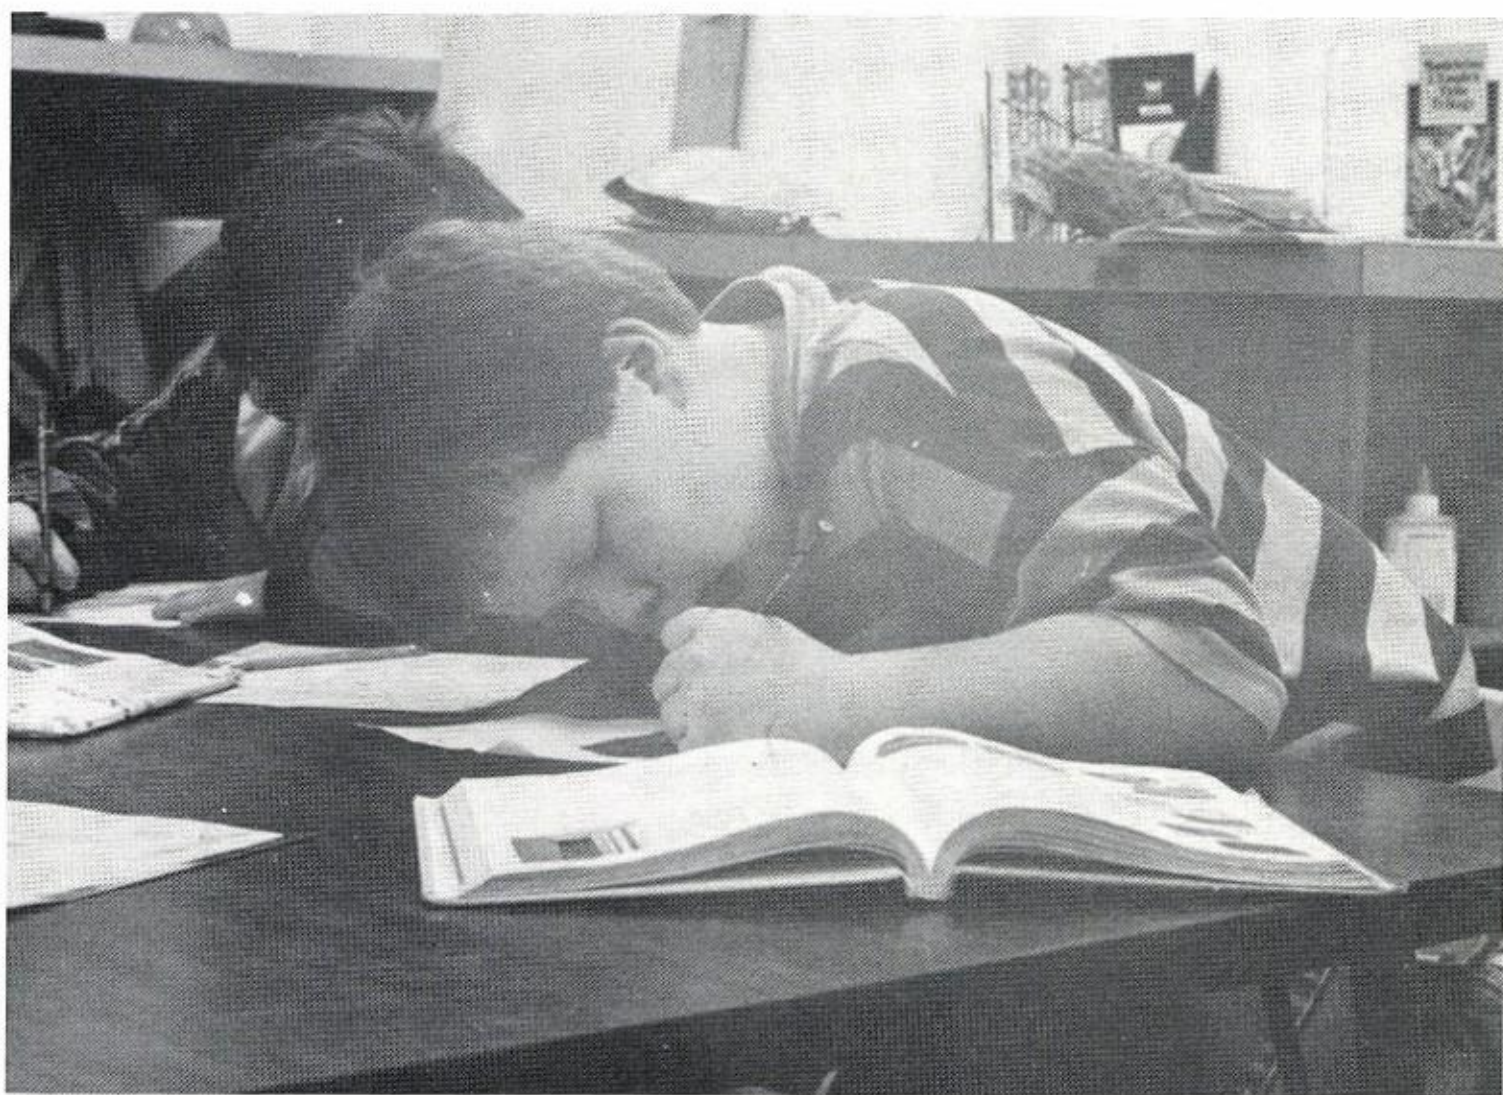

Giving Valentine cards on Valentine's Day is always fun in the Kindergarten room.

The Elementary library is a useful source of information for one student.

I hope you
my dear this
have fun
I have a great
time with you
are all
love,
Chris Taylor

Congratulations Laura!
You have always been
a joy to us, and we love
you.
Mom and Dad

Congratulations, Karen,
on your achievements.
Love, Dad

Myra,
Congratulations on your many accom-
plishments throughout your twelve years
of school. We hope and pray for more
continued success in your life ahead. God
bless you.
Love,
Mom, Dad, Maricella, Melissa
and Michael Joe

May God bless, guide and keep you in
whatever you choose to do in your life.
Holley Elisabeth, thank you for being
you, a great joy and blessing to all who
know and love you.
With love and pride,
Mom and Dickie

Angie, the joy of our life was just watching you grow.
You were our little princess all tied with a bow.
We'd read you the same book over and over again
And listen to "God blesses" till you finally said amen.
We'd watch you through a window as you'd run and play
And we'd say a little prayer that you'd remember one
day
That you were loved so very much and how we loved
watching you grow
Into who you are today . . . someone all the world should
know.
Love and Congratulations, Mom, Dad and Lysa

To Rene:

Congratulations to a very special daughter who now receives
the rewards which were accomplished by goal-setting and
the willingness to work to achieve those goals. We are proud
to be your parents.
Love, Mom and Dad

Way to go, Keith!
We're proud of you.
Love,
Dad, Mom and Alicia

Brent,
If we had searched the whole
world, we could not have found a
son that we would have been
more proud of.
We love you.
Mom and Dad
